City of Long Beach Animal Care Services

We are very concerned about this post. No dogs were euthanized and to call euthanasia murder is extremely disconcerting. Fix Long Beach Pets and Animals saved these dogs. One puppy passed despite 24/7 care for a week. Please remove this post since it contains false information and is raising funds for dogs that have already been treated.

I think someone is using Wagmor's name for a scam. They don't even use that name for the Venmo address shown above.
