

FRIENDS OF NORTHWOOD

Welcome back to school! We are excited for the many things in store for our children this year.

Through PTA funds, we support excellent programs and work in conjunction with the school to provide services, school activities, supplies, technology, and other items for students and their classrooms. Without your support this would not be possible.

In recognition of the time and commitments of our families, we have simplified our fundraising efforts and no longer have schoolwide PTA fundraisers. However, with circumstances as they are, our typical ways of raising money are in jeopardy. Please consider making a donation to the PTA through our Friends of Northwood program. 100% of this money goes to support our students and staff!

If you wish to make a direct donation to Friends of Northwood, please complete the form below. Any dollar amount is appreciated and welcomed. Individuals, families, or businesses with a cumulative donation of **\$75.00** or more will be recognized in a weekly email sent to our families. Your donation to Friends of Northwood is tax deductible and your check can serve as your receipt for tax purposes.

AMOUNT ENCLOSED: \$ _____

Student	Teacher	Grade	\$ Amount Donated
