DRIVER'S EDUCATION

ABOUT LESSONS

Our course in Drivers Education is certified by the New York State Department of Education and is taught in accordance with standards set by the Department of Motor Vehicles which we are licensed and certified to administer.

WHY CHOOSE US

- It is a Qualitative learning vs a Quantitative learning with time based actual online learning system.
- All instructors are trained specialists in Driver Education. Each is also an accredited secondary school teacher, licensed by the state to teach Driver Education.
- We know this process can be expensive. So we constantly monitor our competitions pricing.
