Please list work completed by J&E Remodel and Repair and describe your overall experience:

We are very pleased with the work that was done by J&E Remodel and Repair. If Jason was not able to answer his cell phone when we called, he was always prompt to get back to us. I was most impressed by his ability to listen to our remodel ideas and what we wanted as an end result. Then, when asked for his opinion he would respond with his thoughts and ideas. Or, ask us questions. At the end of each day he would clean up before leaving. Impressive! Also, his communication with his vendors and contractors was excellent and kept the completion schedule flowing in the right direction.

I hereby affirm the above is a true and correct account of my experience having J&E Remodel and Repair complete the described work in my home. This letter serves as my formal referral and recommendation of J&E Remodel and Repair and Jason Yoder.
