Please list work completed by J&E Remodel and Repair and describe your overall experience:

I am a disabled veteran and had Jason complete work in my home while he was employed by another General Contractor. Jason immediately stood out to me because of his willingness to go above and beyond anyone else to see my vision become reality. I have never worked with anyone so knowledgeable and pro-active to see that the client is 100% happy. Because of my disabilities, I needed a wheelchair accessible shower. I was very concerned that my shower would look institutional because of all the ADA modifications I needed. To my and my husbands delight and surprise, the shower Jason built for me is not only beautiful but functions better than any other shower I have used before. Nobody can tell it is designed for a wheelchair and I everyone I show my shower to, wants Jason's card. The tilework he did was absolutely perfect! He suggested so many idea's that really helped us get the bathroom of our dreams. He even measured me several times to make sure the shower bench and my countertop was at the perfect height for me. I cannot wait to be able to have Jason come and do more remodeling inside my home. My VA Representative and I were so impressed with Jason and his work that the Veteran's Administration contacted him to have Jason's new company J&E Remodel and Repair be an approved contractor for the V.A. Because of Jason's skills, attention to client details and work ethic, he will be the only contractor I ever call to work on my home.

I hereby affirm the above is a true and correct account of my experience having J&E Remodel and Repair complete the described work in my home. This letter serves as my formal referral and recommendation of J&E Remodel and Repair and Jason Yoder.
