Minutes: Joan made a motion to approve and Erin Seconded - motion passed

Treasury Report: Erin made a motion to accept treasurer report and Rachel seconded - motion passed

Zone One Report: Lisa is not the show manager. 10 judges and in Eugene. They are asking OPHC to piggy back and have the last part of the show. It would not cost us anything. We would get a flat rate per horse. We won't have to buy any awards, but would need to pay for 4 judges. Club could make 4-5K and they want to use our trail equipment. Erin made a motion to move forward to give the approval for 4 judges for the zone show - Joan seconded - motion passed

NWCC Report: The only action item was to make sure our 2026 board/officers get to the NWCC Directory. We have done a basket for the banquet each year. Do we want to do something again? Joan made a motion to donate \$100 for the NWCC banquet. We could donate a stall for the Spring Fling in a basket.

Spring Fling Show 2025:

Awards - Joan made a motion to increase our award budget of \$210 for high point and \$145 for reserve. This would cover the custom paintings from Studio B. The total cost of awards would be \$4615 for the year. Carrie Seconded - motion passed
