Zone One Report: There will be a company that does apparel and that will be a reserve award using a certificate. Champion award will not change. Some classes will be dropped due to low numbers. The premium is up and live. Stalls can be reserved on July 11th. They open at 9am central time so 8 am Pacific time. After the show there will be discussion regarding date and location. Joan brought up partnering with OQHA for a double show and possibly in Eugene.

NWCC Report: Nothing to report. The meeting from last week was postponed.

Spring Fling Show 2025- Show will be March 29 and 30 at Oregon State Fairgrounds. Joan mentioned talking to Carrie Croft regarding show manager. Lots of discussion regarding schedule and trail. Schedule would change to Saturday afternoon with huntseat or halter/showmanship in the morning.

Committees:

Youth - Dates of July 27th or August 21st for pole painting party. Sarah has offered to contribute more trail equipment. We need some 6 ft poles, a bridge. We need to get a professional pattern for trail. Kristen is going to ask Traci Olney for a pattern to use.

Show - see above

Awards - Jamie is on the committee, Holly will join her. Kristen will help. Maybe doing a spin to win drawing with prize inventory and get sponsorships for little items for people to grab. This allows every exhibitor to get a prize.

Sponsorship - Sarah is going to change the sponsorship form and increase the corporate amount and change so corporate sponsors will be on the banner and they will get a shoutout in the show premium. Thinking about using some sponsorship money to offset the added fees

for the paint points. Members would still get the payout. SWWPHC will be coordinating more with Sarah to get more sponsorships on their end.

Membership - Over 60 members this year and up by 20 members

Marketing - No updates

Old Business:

Youth Scholarships - APHA does not do youth scholarships, but we have about \$800 in funds for youth scholarships. Molly is working on what that looks like. Joan mentioned some information regarding funds. Carrie suggested giving out 3 \$100 scholarships this year and have \$500 grow in a fund. Sarah will ask for corporate sponsors specifically for the youth scholarship fund. Get a big check to have the picture taken with.
