

# SOUTH SHORE SPORTSMAN CLUB NEWS

MARCH 2026

## 2025 Community Impact

Because of the generosity, volunteer spirit, and commitment of our members, South Shore Sportsman's Club proudly reinvested \$39,220.19 directly into our community in 2025. From youth scholarships and lifetime hunting and fishing licenses to conservation efforts, wildlife habitat, lake restoration, and support for local families and first responders – every dollar reflects our belief that strong traditions build stronger communities. Together, we are protecting our outdoor heritage while making a lasting difference right here at home. A detailed list of our donations will be posted on the club bulletin board for anyone interested.

## Board of Trustees Election - Coming in May

It's that time of year again! Our annual Board of Trustees election will take place in May, and we encourage any members who are interested in serving the club to consider running for a position.

Serving on the Board is a meaningful way to help guide the future of our club, support our membership, and contribute to the continued success of our organization. Trustee positions carry a three-year term, while all Officer positions are one-year terms. All newly elected terms will officially begin in July.

Members interested in being nominated should reach out to one of our **Nominating Committee Members**: Stephanie Miller, Bonnie Rutschilling, Lori Herman

If you considering serving and would like to better understand the roles and responsibilities involved, we encourage you to connect with any current Board member. They would be happy to share their experience and answer any questions you may have.

Nominees will be announced at the April club meeting. We encourage anyone with a passion for our club and a willingness to serve to consider stepping forward. Your involvement makes a difference!

# CLUB MEMBER SPOTLIGHT

## Supporting the Next Generation

Club members Bruce Komerak and Kevin Bullock have taken on a special mission to support youth in our community who share a love for the outdoors. Through the raffling of firearms, Bruce and Kevin are raising funds to provide lifetime hunting or fishing licenses for local youth.

Their efforts began last year, when they successfully presented two youth with lifetime licenses after the Duck Eve event held in

October. Encouraged by the response and support from the club and community, they have set an even bigger goal. By Duck Eve 2026, Bruce and Kevin hope to raise enough funds to award ten youth lifetime hunting or fishing licenses.

Both men are passionate about hunting, fishing, and conservation, and they believe strongly in passing these traditions on to the next generation. Through their initiative, they hope to inspire young people in the community to develop an appreciation for the outdoors and become future stewards of our natural resources.

Their dedication is a great example of how members of our club continue to invest in the future of outdoor traditions and conservation. Thank you, Bruce and Kevin, for your continued efforts.

---

## A New Chapter for Jane Schmiesing and for Club Apparel

After many years of dedication in her full-time career, Jane Schmiesing is enjoying retirement and putting her talents to great use for the South Shore Sportsman's Club community.

Jane has begun creating embroidered shirts featuring the South Shore Sportsman's Club logo, giving members a great new way to show their club pride.

Members who are interested can view sample shirts at the club, and order forms are available at the bar for anyone who would like to place an order.

Jane's new hobby and venture is a wonderful example of how our members continue to share their skills and creativity with the club. Be sure to check out the samples next time you're at the club and support Jane in her new retirement endeavor!
