

Essential items for a spring cleanup crew include durable work gloves, heavy-duty trash bags, rakes, pruning shears, and battery-powered leaf blowers. For efficiency, bring microfiber cloths, all-purpose cleaners, and storage bins for organizing or donating items. Safety gear like sunscreen and bug spray is also crucial.

Outdoor/Yard Cleanup Tools

- **Battery-Powered Blower:** Highly efficient for clearing driveways and lawns without gas fumes.
- **Pruning Shears/Loppers:** Essential for trimming back dead, diseased, or broken branches.
- **Lawn Edger:** For creating defined, clean lines between garden beds and grass.
- **Garden Fork/Tiller:** Used to turn and aerate compacted soil in garden beds.
- **Stiff Rake:** For removing thatch and clearing dead grass, leaves, and twigs.
- **Tarps:** Useful for dragging large amounts of debris to a compost pile or curb.

Indoor/General Cleaning Supplies

- **Microfiber Cloths & Magic Erasers:** Effective for dusting and removing stubborn marks.
- **All-Purpose Cleaner & Natural Cleaners:** Baking soda and vinegar are excellent eco-friendly choices.
- **Razor Blade Scrapers:** Useful for cleaning stubborn residue off windows or flat surfaces.
- **Deep Cleaning Brushes/Toothbrushes:** For cleaning tight spaces and scrubbing grout.
- **Vacuum:** Specifically with attachments for cleaning hard-to-reach areas and corners.

Efficiency and Safety Gear

- **Durable Gloves:** Protects hands from thorns, sharp objects, and debris.
- **Weather-Resistant Bins:** Ideal for organizing garage items instead of cardboard, which attracts pests.
- **Heavy-Duty Trash Bags:** Essential for heavy debris disposal.
- **Sturdy Tool Tote/Caddy:** Keeps small items like hand shears, spray bottles, and rags organized.
- **Hydration & Protection:** Sunscreen, bug spray, and water for breaks.
