

WILDFLOWER WISDOMS™

More than a magazine; more than a website~ it's a wildflower garden in full-bloom!

Update from The Chronic Times!

We've hit a little hiccup with our storefront, making it tricky for some of you to grab your pre-launch subscriptions at the \$8 for 8 days price. But no worries—we're extending this offer for another 8 days to make sure everyone has a chance to get in on this special deal! 🌸

After that, we'll roll into our \$10 for 10 days offer, so there's still plenty of time to support Wildflower Wisdoms™ Living ME and enjoy all the beautiful content coming your way.

And guess what? We've added something new! You can now gift the magazine to a friend or anonymously to someone in need. Just select the right option in our storefront, enter the recipient's email (or use the special email provided for anonymous donations), and spread some wildflower love! 🌻

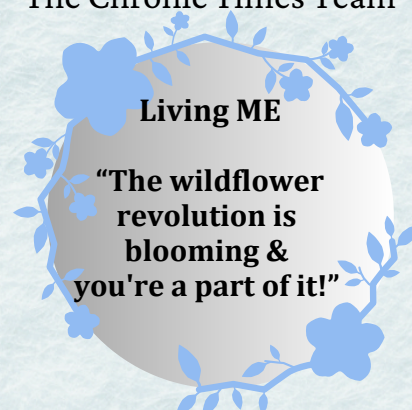

Free Copies & Subscriptions Possible If You Need It

To be considered for receiving an anonymous gift subscription, simply join our mailing list by ordering a copy of our "pay what you can" preview edition (even if that amount is \$0), and then email us at LivingME@wildflowerwisdoms.com with your order number and the words: Wildflower free issue or free subscription. Anonymous gift copies are matched on a first come, first served basis as donations are made.

And don't forget to check out our website at [Wildflower Wisdoms™](http://www.wildflowerwisdoms.com), where we've got weekly updates, fun features like Mystic Mo's Wildflower Reading, Guides from the Wild, interactive content, and so much more!

Let's keep building this beautiful community together!

With gratitude,
The Chronic Times Team
