

Have you ever had the experience of a medical insurance company denying your prescription without ever talking to you about your needs? That happened to me just the other day. A medicine I've been using for years... denied. No letter. No call. Nothing. I was able to get it worked out, but the point still stands. So often, our lives are lived under the thumb of somebody else. Or they are shaped and molded by those who have no idea about our lived experiences, our realities. What goes on behind our eyes is an entire world, a world of our own, a world that nobody can ever truly understand. Honestly, we won't fully know ourselves when it's all said and done.

But to understand one another, we must *listen* to each other. More than listen, we must inquire of one another. We should be asking our friends about the state of their souls and the character and virtue in their hearts. We should ask our friends daily what weighs them down, and ask our lovers what has crushed them or brought them joy. We should be doing everything we can to understand the people around us, the people with whom we spend so much of our lives.

What's wonderful about Jesus is that he was, and remains, an understanding person. One who listens to our pain and doesn't judge us for it. If he loved Judas, he would love us. Since he loved Judas, we know that he extends that same love to everybody else. Jesus understood the pain in his heart, and loved him still. How can you be more like Jesus than my insurance company? How can you hold the burdens of your neighbors and tend to the needs of your family and friends? How can you open up your arms of love, sit with the hurting, and do God's work this week?

Forget BlueCrossBlueShield. I'm more interested in the Cross of Christ! Listen to the world, so you can know best where to place the healing salve of Christ's love.

A very enthusiastic, heartfelt thank you to our SPC congregation for the generosity shown to our Back Pack Buddies at Eastern Elementary. Your donations - through “noisy buckets,” Christmas honor cards and “whenever I can” donations have provided 25 Kindergartners weekend food this entire school year. You have shown them kindness and LOVE! The children, their families, and their teachers send a big hug to to all who have helped. Thanks also to the SPC Back Pack Buddies committee members who work beautifully together purchasing food, stocking shelves, bagging and delivering bundles to the school.

“None of us can help everyone. But all of us can help someone. And when we help them, we serve Jesus. Who would want to miss a chance to do that?” – Max Lucado

Every Wednesday at 7am and 11am the Holy Eucharist is celebrated. We reflect on the lives of significant saints in the history of the Church and are empowered by their faithful witness to the Gospel. These services are wonderful opportunities to be encouraged and strengthened in your discipleship. The 11 am service also includes anointing with holy oil and special prayers for healing as desired.

Zion Sack Lunch Ministry – Lunches for Zion patrons may now be delivered to 328 N. Market Street, beside “House of Styles” barber shop. You may park behind it and someone will assist you. A new **fiber arts group** has begun here at St. Peter's. Our first project is a crocheted tapestry recognizing the many folks in Beaufort County who are homeless. Our first get-together was lots of fun. We hope more of you will join us as we will be meeting every Sunday from 4pm-5pm in the Woolard Meeting Room. All are welcome; those who want to learn how to crochet or knit, as well as seasoned artists! More information can be found on Julia Concha's Facebook & Twitter sites "Love our Neighbors, Washington, NC" or you may call Nancy Hamblin at 252-944-6809.

"Community is a body of people crying for one another, working together for a common cause, enjoying and overlooking (or grimly, tolerating) each other's foibles; it's a rough and beautiful quilt sewn of patches that don't seem to go together at all, and then they do."

Thank you for helping make our Evening in Parish a HUGE success. We could never have exceeded our goal without the tireless commitment of our committee. I give thanks to all of you: for Olivia for preparing the beautiful invitation to get the ball rolling; Cathy & Susan and their cooks and servers for preparing the delicious and eye appealing food; for Carol and her excellent bartenders for keeping everyone in the right spirits; for Buffa and Helen and her talented committee for transforming ASH into a stunning venue; for the extraordinary team of Nancy, Chris, Verna and Peter for checking in and taking payments from our guests; for Jennifer for all the extra work we generated for her; for Becky and her help with the auction and most importantly for all of you who attended and were generous with your donations and purchases. We can all be proud that our goals of a fun, social and profitable evening were met. I can joyfully announce that we raised more than \$15,000 which will support and allow an increase to our ECW Outreach ministries for the next two years. There aren't enough words to express my gratitude for believing in me and supporting my vision. St. Peter's truly is a church where love and fellowship is present and is a Holy place of God. —Mary

The United Thank Offering (UTO) is a ministry of the Episcopal Church. Through UTO, all of us - men, women and children – nurture a habit of giving thanks to God. These prayers of thanksgiving start when we recognize and name our many daily blessings. Saint Peter's has designated Sunday, May 10th, our Spring Ingathering date. Please use one of the blue boxes or an envelope to make your donation to UTO. All funds collected are sent to the Diocese for grants that address human needs and help alleviate poverty. Thank you for supporting UTO.
