PAY ONLINE

For complete information about making payments, please see Ways to Pay on the Greenshores website at <http://greenshoresonlakeaustinpva.com/>. If you need your BB&T bill pay number or unit/serial number, please contact CAM at accounting@camanagers.com

COMMUNICATION

The Association will be sending out more and more communications via email, including notices of certain board meetings, and other important communications. Per state law, any owner wishing to receive email communications from the Association must keep the owner's current email address registered with the Association.

The available ways to register and update your email address with the Association are as follows:

- (1) Through the Association's managing agent's fax (512-288-2389),
- (2) Through email to the Association's managing agent at info@camanagers.com.

Any fax or email registering or updating an email address must include a request to register or update an email address and be solely for the purpose of registering or updating an email address (for example, an email address included in an architectural submission, or printed on a check, is not sufficient).
