

ANNOUNCING: The California Integrated Supports Project

Informational Webinar

January 10, 2023
9:30 – 10:30 a.m.

With the goal of integrating Social Emotional Learning (SEL), Culturally Sustaining Practices, and Trauma Screening into MTSS, the California Integrated Supports Project (CA-ISP) will serve the needs of districts, site MTSS Leadership Teams, and classrooms by utilizing established systems through the integration of PBIS and MTSS, quality professional learning and coaching, and the leveraging of the California PBIS Coalition Technical Assistance Centers for implementation support.
