JUDGING CRITERIA

It is important to secure qualified judges. Sources may include local artists and craftsmen, school art teachers, craft associations, craft shops, photography or art clubs, members of embroidery guilds, and museum staff. Do not use members of your own club as judges.

Compensation for judges is entirely up to the club, district, and state; however, an honorarium of \$50 is suggested. Many clubs and districts include lunch. A thank you card is always appropriate.

AWARDS

1. First, second, third, and honorable mention ribbons will be awarded in each category, if deemed by the judges.
2. Even if there is only one entry, it does not necessarily mean the entry is to receive a 1st place ribbon.
3. The decision of the judges will be final.
4. Club and District levels may award additional ribbons, such as Best of Show, etc.
