HULLABALOO

INVITATIONAL

BOB O'LINK GOLF CLUB

HIGHLAND PARK, ILLINOIS

JUNE

THURSDAY

12TH

FRIDAY

13TH

This will be the 102nd Anniversary of the Bob O'Link Hullabaloo. It is one of the premier events in the country. The friendship and camaraderie that exist at Bob O'Link are second to none. We welcome all the guests who will be participating in this year's event, some of which have played for many years and some for the first time. Gentlemen, welcome to Bob O'Link!

The format for 2025 will be a 45-hole, two day member-guest featuring the exciting team match play – 27 holes will be played on Thursday and 18 holes on Friday. Tee times will be used both days. The first tee time on Thursday for 1st round matches will be 7:12 a.m. The second round matches will begin at 10:28 a.m. Thursday with the third round matches starting at 2:00 p.m. The fourth round matches on Friday will tee-off at 7:12 a.m. and the fifth round matches at 10:28 a.m.

Strokes will be determined based on the Essex system. This means strokes will be taken off the low handicap player in each foursome with strokes falling according to their ranking on the scorecard. Half shots will be used in cases of odd handicap differences. Ten match points will be awarded for each match as follows:

- 1 point for winning a hole
- 1/2 point for tying a hole
- 1 point for winning a match
- 1/2 point for tying a match

Wild Card: The team with the most points on day 2 is eligible for the playoff. Ties will be broken by:

- 1) match points starting with 5th match, 4th match, etc.
- 2) “chip off.”

Trophies will be presented to the Hullabaloo Champions and to all flight winners.

In case of ties among the flight winners, ties will be broken by head to head competition. If that is tied, then there will be a “chip-off.”

The team earning the most points is the flight winner and qualifies to compete in the playoff on holes 1, 2, 3 and 4 on Friday after play. The playoff format will be Best Ball on the 1st hole, Worst Ball on the 2nd hole, Chapman on the 3rd hole and Both Balls Total Score on the 4th hole. The total score of this playoff will determine the overall 2025 Hullabaloo Champions.

If there is a tie for the Hullabaloo Championship, play will be “sudden death,” playing holes 1, 2, 3, 4 (using the same format) until a winner is decided.

Flight Pools of \$100 per team – winner take all.

Pro-Shop Raffle – The golf shop will raffle a beautiful set of woods, irons, golf bag and covers. Tickets are \$20.00, available in the pro-shop.

Good luck to all contestants, have a great Hullabaloo.

2025 Rules of Play

- USGA Rules Shall Govern All Play.
- 14 club limit is NOT in effect.
- Non-conforming golf clubs NOT allowed.
- Yardage devices are permitted.
- Handicaps in effect as of June 1, 2025.
- Embedded Ball Rule through the green.
- Red lines – Penalty Area.
- Boundary fences – Out of bounds.
- Solid white lines – Ground under repair.
- Obstruction – Perimeter roads and curbing, red gravel cart paths, sprinkler heads, drain covers, gravel-filled drain lines and fire hydrant – drop within one club length of nearest relief – no penalty.
- Immovable obstruction – halfway house, pump house, clubhouse, grounds building, grill and tent area, irrigation control boxes, yardage markers, rain shelters, netting behind golf range.
Relief – swing or stance *only* not line of sight.
Drop within one club length – no penalty.
- The new retention pond on #11 will be played as ground under repair. Drop within one club length of nearest relief – no penalty.
- NO relief from wood chips.
- All fescue areas will be played as it lies.
- In the event a team does not show or must forfeit, the opposing team will receive six points for the match. Forfeit team receives zero points.

- In case a player is late, he may not participate on the hole being played if any of the players have hit their second shots, but may continue the match on the next hole.
- If the weather does not allow complete play of the tournament, the Golf Committee has devised a plan to determine the outcome of the event.
- Lightning Detection System – Once there is a cloud to ground strike within a five mile radius of our area, an alarm will sound. All players and caddies are required to proceed directly to the nearest shelter. The golf course is closed once the sirens have sounded. After the storm has passed, the system will give an “all clear” signal sounding the sirens in alternating tones. After alternating tones, play may be resumed.
- Because of the large field of players, it is so important to consider the speed of play for the event. Please keep your speed up so you do not hinder the success of the team or teams behind you. If it is obvious you are out of a hole and cannot contribute to your team, please pick the ball up and be prepared to proceed to the next hole. A cart will be assigned to each twosome to help speed up the pace of play.
- The Golf Committee is in charge of Hullabaloo and all decisions are final.
