

Bandits,

Good evening!

Thank you everyone for another historic season! There were several departments and teams that made Bandits a HUGE success this season and we need to take the time to acknowledge and appreciate them.

First, the **Maintenance Grounds Team** provided you all with excellent playing conditions all year long. This paved the way for more enjoyable rounds for everyone!

Also, we need to thank our **Catering, Banquets and Setup Teams**. Their dedication week in and week out deserves a round of applause. All the functions, including the Closing Dinner, were enjoyable, delicious and the best way to cap off each night. Not to mention, all the surprises **F&B** had in store for you all this season!

Next, we must thank our **Golf Staff**. Without our hard working **Outside Staff** staging the carts, loading your bags, and cleaning everything at the end of the night following play, Bandits would not have had a chance to run as smoothly as it has over the years.

Lastly, we cannot forget our fearless leaders, **Ron Griggs & Erick Browark** and their committee. Their communication with us, decision making, and vision to make Bandits more enjoyable for everyone should not go unnoticed! Yet again, participation has grown to heights never imaginable! See below for some interesting statistics over the years.

- 👤 In 2022, Bandits weekly participation averaged 113 Bandits per week. This is approximately 73 more a week than in 2017 and 10 more a week than last season.
- 👤 In 2022, we had 264 Bandits registered for the season compared to only 96 Bandits in 2017 and 227 in 2021.
- 👤 In 2022, we hosted our largest turnout in the Bandits existence. In Week 1 of the 2022 Bandits Season, we had 175 Bandits play.
- 👤 In 2022, we had over 80 new Bandits join in on the Tuesday evening fun!

We have had the pleasure of coordinating the Bandits the past five seasons and we have really enjoyed being a part of its journey.

## **BANDITS CUP** **CHAMPION**

Let's all congratulate our 2022 Bandits Cup Champion, **John Tufo**, for his consistent play all year and claiming the title by his fearless 1<sup>st</sup> place performance in the Bandits Cup Finals this evening.
