

North County Pickleball Women's League

Summer League Format & Rules

Format

- All games are played using rally scoring (every serve results in a point)
- Home captain fills out the score sheet with their lineup before the match
- Visitor captain will bring their lineup on an index card to fill out the score sheet brought by the home captain
- Players decide what side to play on for the entirety of the game, they may switch sides for the next game if they choose
- The serve starts on the right side when your score is even and the serve starts on the left side when your score is odd
- The 3rd game is only played when each team has won a game in the round The 3rd game is played to 15 and players switch sides once a team reaches 8
- If rounds are tied at 3-3 a singles tiebreaker game is played to 21

Games Played to 21

First team to reach 21 wins

Teams must freeze on 20 and win on their serve, opponents will freeze on 19 and can only win points on their serve

If the score is tied 19-19 and becomes 20-19, both teams freeze

Games Played to 15

First team to reach 15 wins

Teams must freeze on 14 and win on their serve, opponents will freeze on 13 and can only win points on their serve

If the score is tied 13-13 and becomes 14-13, both teams freeze

Singles Tiebreaker Game

Follow rules from "Games Played to 21"

Rotate players every 4 points following the order decided prior to match
