From the President

Hello and Thank You for taking the time to read your newsletter.

I would like to Thank our new association staff for all the hard work that they do to create and run our outstanding neighborhood association and the events. I would also like to Thank all the neighbors that take the time to try to make a difference in our neighborhood and show up to the monthly association meetings. Please take the time if you have not done so already and get to know your Street Representative. This person takes time out of their busy schedule each month to help run our association by attending our monthly meetings and delivers your newsletter to your door.

We now have a new association staff and would really love if you could take an hour a month to join us at our association meetings. We are trying to bring back our neighborhood BBQ by starting out with a Family Picnic this year. Our plan for next year is to join with our neighbor St. Luke's UMC chicken BBQ with our pulled pork BBQ and make it one big BBQ with a car show, golf cart show, corn-hole & horseshoe competitions, bounce houses and whatever ideas that you can bring to the table. Events like this help fund our neighborhood kids events and student scholarships. We really need everyone's help to make all this happen. Please help make a change and take a small role. The more neighbors we have working together, the less one person must do.

Here in Florida Gardens we do not require dues, but we do ask for a small donation each year of at least \$30 a year. These donations also help pay for student scholarships, children events like Easter, Halloween, Christmas and adult events such as New Years and St Patrick's Day. So if you have not donated already, please come to one of the meetings to donate or send your donation in the envelope supplied in this month's newsletter.

I would like to Thank Kim Saunders, Alanna Harman and Heather Zapf for stepping up to Chair the Family Picnic next month. They have been putting a lot of time prepping, organizing and looking for volunteers to make this a Family event. It has been some time since we have had an event like this, so please get with these wonderful young ladies and help them out with whatever you can help with.

Last but not least: Please patronize our advertisers for they are the ones who fund to have this newsletter made each month.

Thank You all so very much for caring about your neighborhood!!!

See you at the next meeting 4/12/18 @ 8pm in the clubhouse

SELLING TIP #1: DO NOT OVERPRICE YOUR HOME

SELLING TIP #2: REVIEW YOUR AGENTS WORK

SELLING TIP #3: FIRST IMPRESSIONS DO MATTER

Buyers form an opinion the moment they see your home. This opinion can result in a high, low, or NO offer. Enhance your homes curb appeal: new flowers, new mulch, update the mailbox, paint the front door. Easy ways to create an inviting experience.
