Annual Fundraiser

Edison High School Field Hockey Booster Club is excited to announce our Annual Fundraiser to be held in October of this year. In order to make this event a success we need your help!

Our program runs on player donations, fundraisers and the support of our local community. Our goal is to provide our athletes the best experience both on and off the turf. In order to do this successfully we need our family, friends, and community to partner with us.

We're currently collecting auction items for our Annual Fundraiser to be held during the upcoming Fall season. Funds raised from this event will go towards equipment, uniforms and transportation fees.

Items we'd love to feature:

- Goods from local businesses
- Travel/destination experiences
- Tickets to events/concerts
- Professional services
- Gift cards
- Restaurant gift certificates
- Apparel/ Sporting goods
- Non-perishable food items
- Memberships
- Wine
- Beach items
- Movie tickets
- Beach parking passes

Donors will be recognized on Instagram @edisonhighfieldhockey, at the event as well as in our annual field hockey yearbook. All donations are tax deductible with receipts furnished upon request. **Please mail donations to the address below or we'd be happy to pick up items from local donors at your convenience! If you have any questions or would like to schedule pick up, email us at fundraise.edisonfieldhockey@gmail.com**

Thank you for supporting Edison High School Field Hockey!

Sincerely,
Edison Field Hockey Booster Club
