They deeply recognize their inseparable relationship with Him through the images of the True Vine and the Good Shepherd, the Loving Father. They fall in love with their community and the communion that fulfills their innermost being.

Covenant Relationship for 11-15

This is the contraction phase of growth. They seek their voice, and discover through scripture exactly who they are. They deeply desire to know how they contribute to this Universe. They desire to know that their collaboration within the History of the time matters. This intense participation gives them great satisfaction and prepares them for the lifelong response in Love. They receive the seedlings for the Theology of the Body and nurtured their dignity.
