My name is Maile Aiu Domingo, mother of 6+, lover of the Lord; I am offering spiritual enrichment that nourishes the child to their deepest core. I have been trained in the Catechesis of the Good Shepherd since 1998. Classes are geared toward the developmental stage of the child, are Montessori based, and are a specially prepared contemplative environment so the child can work diligently for up to 2 hours. They will be in complete contentment and ask for more time in this silence; it satisfies them to the core. They will explore the History of the Kingdom of God, the typology and geography of God's plan, plus their own unique Cosmic contribution to the Kingdom. For the Covenant Relationship classes, we will also incorporate Theology of the Body. Allow us to minister to the dignity of your child.

Yearly Tuition: \$600 or Suggested Donation \$50-\$75/month.

Family registration and insurance \$150/year.
