SUBJECT: JUDGE TAMMY M. HARRINGTON; JUDGE KENLYN FOSTER; JUDGE WILLIAM BREWER, Jr.; FORMER MAGISTRATE JASON BEDDINGFIELD

By receipt of this Notice pursuant to Tenn. R. Civ. P. 5.02(2)(a), the Tennessee Board of Professional Responsibility and all their members are hereby placed on formal notice of felony violations committed under color of law. Pursuant to 18 U.S.C. § 4 (Misprision of Felony), any person having knowledge of the commission of a felony who fails to report it to the proper authorities is themselves complicit in concealment of that felony. Accordingly, each Commissioner now has a legal and moral duty to act upon this notice and ensure that these violations are properly investigated and referred for prosecution under both state and federal law.

Numerous families within the Blount County, Tennessee court system have documented and reported a collection of judicial misconducts, including allegations of fraud upon the court, judicial biases, abuse of authority, and violations of sworn oaths of office and the United States Constitution. Without doubt, the officials named in the two (2) affidavits attached have engaged in conduct that grossly undermines the integrity of the judicial process, constituting violations of federal law. Such misconduct has been evidenced and documented as a pattern of criminality for an extended number of years.

As these matters are now the subject of *existing federal inquiries*, you are hereby placed on notice that continued endorsement of the named individuals Judge Tammy M. Harrington, Judge Kenlyn Foster, Judge William Brewer, Jr., and Former Magistrate Jason Beddingfield could further implicate you in any wrongdoing uncovered. ***All recipients are on notice to preserve all documents and electronically stored information relevant to this matter, including but not limited to previous complaints issued against these state agents, emails, case notes, ledgers, notices, recordings, texts, audit trails, contractor files, and policies.***

There is hereby no waiver of Reservation of Rights and the undersigned and all other aggrieved parties reserve all rights and remedies under the Constitution, federal law, state law, and common law to seek redress for harm resulting from the alleged misconduct. Failure to address these matters may result in civil or criminal complaints, including but not limited to conspiracy and deprivation of rights under color of law (18 U.S.C. §§ 241, 242), and claims for damages under 42 U.S.C. § 1983.

For the victims who remain unnamed due to fear of retaliation, their silence is not an indication of absence, but rather a direct consequence of the climate of judicial intimidation and abuse that must be addressed in Blount County Tennessee. Accordingly, on behalf of numerous families and citizens who have witnessed, documented, and reported these injustices, this is respectfully submitted by:
