### NEW RIFF BOTTLED-IN-BOND BOURBON #845895

New Riff Bourbon is Bottled In Bond Without Chill Filtration. Featuring a mash bill of non-GMO grains at 65% corn, 30% rye, and 5% malted barley, it represents a new riff on Kentucky's most hallowed whiskey traditions. Aged four years in 53-gallon toasted and charred new oak barrels, there are no shortcuts taken in our production. All New Riff whiskeys are made with the full sour mash Kentucky Regimen; all carry an age statement, and are always bottled without chill filtration.

**Appearance:** Extra rich, unfiltered deep amber color.

**Nose:** Butterscotch rounding into fresh oak, with hints of vanilla and rye spice.

**Taste:** Broad, fulsome mouthfeel, leading to a sweeter vanilla accent, before a gathering of rye spices (clove, cinnamon, mint, dark berry) into the finish.

**Finish:** Long, rye-led finish, with brambly red-black fruits amid white pepper and clove.

### NEW RIFF BOTTLED-IN-BOND RYE #845897

New Riff Rye is Bottled In Bond Without Chill Filtration. Featuring a unique mashbill of 95% rye and 5% malted rye, it represents a new riff on our hallowed local Rye whiskey traditions. Aged four years in full-size 53-gallon toasted and charred new oak barrels, there are no shortcuts taken in its traditional production. All New Riff whiskeys are made with the full sour mash Kentucky Regimen; all carry an age statement and are always bottled without chill filtration.

**Appearance:** Extra rich, unfiltered deep amber color.

**Nose:** Spicy and detailed, showing mint, black pepper, and vanilla with hints of orange and oak.

**Taste:** Cinnamon spice, vanilla and sweet toffee moving into a bold mouth feel with rich Rye spice, caramel and toasted oak. Complex flavors drink older than four-year-old.

**Finish:** Bold Rye spice with vanilla buttercream and lingering brown sugar, plus a mineral-grassy Rye tone that fades slowly.

OUR **SINGLE** BARREL EXPERIENCE

## TOUR, TASTE & **SELECT**

AN ELEVATED SELECTION EXPERIENCE

At New Riff we pride ourselves in creating an educational and engaging Barrel Selection experience every bit as singular as the barrel you are about to pick. If you purchase a Single Barrel bourbon you have the option, at no additional charge, of selecting your barrel of Kentucky Straight Bourbon Whiskey nestled in our turn-of-the-century tasting room located among the thousands of aging barrels at our West Newport Warehouse Campus.

**WHETHER YOU'RE MAKING THE TRIP TO NEWPORT OR TRUSTING OUR DISTILLERS WITH THE CHOICE, THERE'S A PERFECT BARREL FOR EVERYBODY.**

New Riff offers a robust Single Barrel Program where you will get to personally select your own one-of-a-kind barrel. Selections are bottled at barrel proof without chill filtration, allowing all the characteristics of the barrel to shine through. No two barrels are the same, each creating their own story. Each bottle will be customized with your personal label. Half and quarter barrels are also available.

AWARD WINNING  
FARM FRESH BERRIES  
SUSTAINABLY FARMED  
COPPER-POT DISTILLED  
42% ABV

STARLIGHT DISTILLERY

## BLACKBERRY WHISKEY #102650

84 PROOF

Our Blackberry Whiskey is a blend of bourbon whiskey and aged light whiskey, blended with sun-ripened blackberries, then bottled at 84 proof. The result is a small batch blackberry whiskey displaying distinctive hints of blackberry jam, caramel and vanilla beans. Which makes for a great spirit to be used in craft cocktails.

This whiskey is loaded with candied blackberry and black cherry flavors and that is immediately rounded out by heavy oak. This guy will make a great accompaniment to your summer iced-tea

Amazing fresh black berry aroma - a farm to table product – a perfectly balanced easy sipper

STARLIGHT DISTILLERY

## BOTTLED-IN-BOND CARL T. BOURBON WHISKEY #863796

100 PROOF

Starlight Distillery's small-batch bottled-in-bond bourbon is a unique, limited-release product. Beginning with sweet mash fermentation and distilled in our copper pot stills, this straight bourbon whiskey is aged for a minimum of 4 years in Huber's Old Rickhouse (on the grounds of the 7th generation Huber estate, established in 1843). We then bottle this bourbon at 100 proof under the Bottled-in-Bond Act of 1897. The result is a bourbon whiskey that is elegant, soft and sweet. An easy sipper neat or on the rocks. Balanced, lending itself to an extraordinary craft cocktail.

STARLIGHT DISTILLERY

## CARL T. BOURBON WHISKEY #863793

92 PROOF

Our Carl T. Bourbon Whiskey begins with a blend of our 3-grain and 4-grain mash bills (100% sweet mash fermentation) and distilled in our copper pot stills, this straight bourbon whiskey is then aged for a minimum of 4 years in the Huber's Rickhouses located on the grounds of the 7th generation Huber estate, established in 1843.

The result is a sustainable bourbon whiskey that is elegant, fruit driven and sweet. An easy sipper neat or on the rocks. Balanced, lending itself to an extraordinary craft cocktail.

Named after 4th generation Huber, Carl T. Huber.

STARLIGHT DISTILLERY

## DOUBLE OAKED CARL T. #890275 BOURBON WHISKEY

103 PROOF

For our Double Oak Carl T. Bourbon Whiskey, we take our fully matured small batch Carl T. at cask strength into a new heavy toasted and lightly charred oak barrel. At Starlight we worked extensively with our select cooperages to craft new innovative barrel profiles that were custom made to our precise specifications.

STARLIGHT DISTILLERY

## AMBURANA FINISHED BOURBON WHISKEY

Our production team crafted a 4.5 - 6.5 year, small batch blend of Carl T. bourbon with two distinct mash bills. This blend was transferred into new Amburana Brazilian oak barrels, for additional aging.

These Amburana barrels provide intense sweet vanilla flavor, baking spice, and cigar box notes to our signature Carl T. Bourbon.

STARLIGHT DISTILLERY

## HONEY FINISHED #890273 BOURBON WHISKEY

Light, raw honey-forward, it's like sipping on a bourbon and a honey stick at the same time. Rich honey, creamy milk chocolate, and underlying spiced barrel char.

Drinks so easy, with viscous raw honey sweetness and toasted orange peel lingering long on the palate.

## BOTTLED-IN-BOND APPLE BRANDY

100 PROOF

At Starlight Distillery we use our estate-grown apples and traditional production methods to create brandies with exceptional depth of flavor. This Apple Brandy is aged in French oak casks for a minimum of 10 years to develop its amber color and acquire nuanced aromas of vanilla, spice, and toffee. We then bottle this Apple brandy at 100 proof under the Bottled-in-Bond Act of 1897. An easy sipper neat or on the rocks.

## BLENDERS CUT

STRAIGHT BOURBON WHISKEY BOTTLED AT CASK STRENGTH

### BLENDERS CUT SERIES

#### ORIGIN BLEND - THIRTYSIX/TWENTYONE

After numerous releases of our Triple Cask Alter Ego Bourbon, Doc's Master Blender, Jesse Parker, started to notice a late-night trend as we sampled the base bourbon. After witnessing copious nights in the warehouse with glasses that refused to be set down, it became apparent that the Blenders Cut needed to be shared! this offering comes in at 115 proof.

#### HOW TO DRINK

It's spectacular neat, but we also found that it goes well with a few drops of water or ice, or will elevate any classic bourbon cocktail.

## #109422 MOSCATEL FINISH

STRAIGHT BOURBON WHISKEY FINISHED IN MOSCATEL CASKS  
LIMITED RELEASE

### EXPLORATORY CASK SERIES

Port may be the most recognizable fortified wine from Portugal, but Moscatel de Setubal is a Portuguese staple.

Artfully produced on the Setubal Peninsula near Lisbon in the south of Portugal, Moscatel is a truly unique fortified wine to the region with robust citrus and rich sweetness. These aromatic casks were used for a decade before making their way across the Atlantic to Doc Swinson's maturation house to be filled with bourbon.

After several months of aging, expressive notes of orange zest, honey and toffee complement the rich spices of Doc Swinson's Bourbon.

## #892087 BOSSA NOVA

STRAIGHT BOURBON WHISKEY FINISHED IN AMBURANA WOOD CASKS

### EXPLORATORY CASK SERIES

Brazilian amburana wood has been hailed as the "whiskey unicorn."

It is the secret sauce that fills the gaps with cinnamon spice and sweetness, making for a well-rounded whiskey that transports you back to fresh snicker-doodles and cinnamon buns right out of the oven.

We are excited to release this whiskey unicorn as these barrels have been a true dive into exploring complementary flavor profiles to our bourbons.

## REEFER MADNESS

STRAIGHT RYE WHISKEY FINISHED IN RUM & EX-PEATED SCOTCH CASKS

### EXPLORATORY SERIES

A blend of two 5 year rye whiskeys then aged an additional 2 years in our famous Rum Cask Solera System, imparting exotic flavors from 4 different runs of the world.

This now sweet and spicy whiskey is finished in ex-peated scotch quarter casks from one of the most famous distilleries in Islay. Pairing SWEET, SPICE and TOBACCO leaves one wondering why this hasn't been done before!

### SENSORY NOTES

- Bright citrus, Creme brulee, toasted rye bread
- Orange marmalade, whipped honey butter on rye toast, with slight earthy biscuit-ey notes, finishes with sweet tobacco
- A delightful ensemble that greets you with citrus marmalade, and falls to fire-roasted hatch chili pepper and toasted rye bread. Moves onto a subtle, yet long-lasting sweet tobacco that stays on your palette (think of a long draw on a rich and sweet cigar; bright leading into rich earth and dried fruits)

### FOREST & FABLE

STRAIGHT BOURBON WHISKEY FINISHED IN GARRYANA OAK CASKS

**EXPLORATORY CASK SERIES**

**Release # 2 of one of the rarest oaks in the spirits industry**

Found in Doc Swinson's backyard, the mighty Garryana oak grows in the Pacific northwest from northern California to southern British Columbia.

Garryana is a rare wood to be used in the maturation of spirits on account it is a very difficult wood to cooper into barrels. This rare profile is as if the best qualities of french and american oak came together in oak tree.

These Garryana casks take what is normally described as caramel and cinnamon found in your typical bourbon and transform them into molasses and clove with an undertone of Kansas city BBQ caramelized on the grill. We are proud to incorporate our local oak into our spirits and we think you'll find it to be a new favorite.

#892098

**SENSORY NOTES**

- BBQ smoke, chocolate, apricots
- Molasses cookies, confectioners sugar, black tea and fruit leather
- A little coca and fig jam to cling to the tongue

## DOC SWINSON'S

THE MIND - THE BODY - THE SPIRIT

A special release of individual expressions that together create our Alter Ego Triple Cask Bourbon

### LA MENTE (The Mind)

**Straight Bourbon Whiskey Finished in Oloroso Sherry Casks**

**A Rare Opportunity**

Part 2 of 3 of our Alter Ego Triple Cask Bourbon

Oloroso sherry was the first cask finished expression we started with at Doc Swinson's, the one that started it all! We named this whiskey LA MENTE. The Mind in Spanish because it contributes complexity & brightness to our Alter Ego Triple Cask Bourbon. Oloroso Sherry layers in subtle flavors of roasted nuts, spices & orange peel.

*This limited single finish expression allows you the chance to experience one of the excellent individual pieces of the whole at blender's strength.*

**Blending & Casks**

Bourbon Mashbill No. 1  
60% corn | 36% rye | 4% malted barley

Bourbon Mashbill No. 2

## HONORING A DISTILLING LEGACY – WITH A TWIST

As the recent Winners of the 2023 Ascot Awards - American Spirits Council of Tasters Best Independent Bottler of The Year, Rolling Fork delivers adventure to spirits enthusiasts through the history, complexity, and variety of the finest rums.

Turner Wathen and Jordan Morris founded Rolling Fork Spirits in 2017 in honor of Kentucky's famed Rolling Fork Distillery, established in 1788. To honor this distilling legacy, they import the finest rums (without additives) made around the globe and match them with hand-selected whiskey casks for secondary maturation. Through blending and finishing, they craft rums that adhere to their motto: *“no finer spirits can be made”*.

RATINGS OUT OF 5  
OUR REVIEW PHILOSOPHY

**Age:** 6-Years

**Proof:** 114.8 Cask Strength #891344

**Mash Bill:** 75/21/4 Corn/Rye/Malted Barley

**Tasting Notes:** An unusually dark and robust 6-year-old bourbon with notes of tobacco, honey and charred oak.

**About:** Our first Prideful Goat releases were a great example of an older, more mature Kentucky spirit without the puffery and insanely inflated pricing we see in the hobby today. We thought long and hard on what to do next and thus, The Prideful Goat Cask Strength Bourbon Whiskey was born. This 6 yr from an all too familiar Indiana distillery is not new to the market.

**Age:** 6-Years

**Proof:** 115 #891345

**Mash Bill:** 95/5 Rye/Malted Barley

**About:** Our first Prideful Goat releases were a great example of an older, more mature Kentucky spirit without the puffery and insanely inflated pricing we see in the hobby today. We thought long and hard on what to do next and thus, The Prideful Goat Straight Rye Whiskey was born. This 6 yr 95% Rye from an all too familiar Indiana distillery is not new to the market.

The Prideful Goat Straight Rye Whiskey is a fantastic, straight rye whiskey that is meant to be shared amongst friends.

## ...FRED MINNICK SAY'S **“IT’S EXCELLENT!”**

fredminnick • Following

fredminnick This is excellent. Reminds me of the early @redemptionwhiskey Ryes, both cask strength Indiana ryes. Definitely one of the early contenders #ryewhiskey #rye #whiskey #bourbon #indiana #texas

**Aging** – minimum 24 months  
**Wood** – Slavonian oak  
**Additional Bottle Aging** – 8 months  
**Bottles Produced** – c.a. 4000

MONCHIERO

This wine comes from the vineyards in Castiglione Falletto and has unique characteristics: a fine aroma, longevity and texture with significant alcohol content. The traditional mash fermentation with cap and the ageing in oak barrels permit the tannins to emerge and combine, subsequently persisting in the bottle. There is also the reserve, a selection made with great care which matures quietly for five years.

## MONCHIERO

The vineyards of Barbera d’Alba are located in the districts of Alba, Castiglione Falletto and La Morra. The alcohol content, acid and tannins are pleasantly balanced and the characteristics of longevity are all present. The red colour through to garnet red, the intensive fragrance, the dryness, pleasantly aromatised and complex. That’s how it leaves the oak barrel after a year’s maturing becoming a DOC wine. Good ageing potential.

### MONCHIERO

A white DOC wine which is ready in a few months, a juice of the grape with a good alcohol content, balanced, fruity, extremely pleasant. The apple aroma makes it an excellent accompaniment to antipasti, fish dishes and white meat. After the grapes have been pressed and the must separated from the peel it is left at a low temperature to produce a dry and aromatic wine.

## Barbera d'Alba DOC la 2020

**Vine:** Barbera

**Position:** South-west and South -est facing

**Pruning:** Guyot (6-8 buds / vine)

**N° Vines / hectare:** 4.500

**Yield / hectare:** 80 q / Ha

**Plant year:** 1978 and 2007

### Winemaking

Soft pressing of grapes, maceration with grape skins for 8/10 days at a maximum temperature of 28°C and immersion of remounting marcs.

During spring the wine is decanted into wooden or steel casks where it stays for 10 months and then it is bottled.

The bottled wine is laid down for 3-4 months before packaging and consignment.

### Organoleptic Characteristics, Preservation

With an intense ruby-red colour, the Barbera has a full bouquet which with oxygenation opens out into plum and violet scents with a hint of resins and spices. It has a full, warm and lingering flavour.

We recommend drinking it from the second to the sixth year at a temperature of 17°-18°C.

## Barolo DOCG Noi

“An intricate weaving of different terroirs combine to create ‘Noi’. Elevation of this Barolo takes place in large oak casks. Embodies both the terroir and our own understanding of this wine: elegant and powerful, providing great excitement.”

**Variety:** Nebbiolo subvarieties Lampia and Michet

**Origin of grapes:** Barolo area

**Pruning:** Guyot (8-9 shoots)

**Exposure:** southeast and southwest

**Density:** 5000 vines per hectare on average

**Yield per hectare:** 55-75 quintals

**Year planted:** 1970 - 1980 - 1990

**Elevation:** 280 - 350 metres

### Vinification

Crushing and de-stemming; maceration with skins for about 10-12 days at maximum temperature of 29-31°C. After racking, élevage in oak barrels for about 18 months.

Repose in steel tanks prior to bottling.

Bottle-aged horizontally prior to packaging and shipping.

### Organoleptic Characteristics

Intense ruby red with garnet highlights; full, intense nose, tertiary notes with red fruit leading vanilla, cocoa and spices.

Full-flavoured and austere with balanced, supple tannins.

### Storage

Recommended serving temperature: 17 - 18°C in tasting glasses.

## Montefalco Rosso D.O.C.

**GRAPE VARIETY** - Sangiovese 60%, Traditional grapes of Montefalco's territory 15%, Merlot 25%

**YIELD PER HECTARE** - 90/100 q

**HARVEST** - from around the 15th of September until mid-October

**AGING** - in tanks made from French oak for 9 months

**COLOR** - deep, ruby red, with violet and light garnet hues

**BOUQUET** - elegant, persistent, refined, and fruity with notes of spice: the nose has aromas of underbrush and red berries

**TASTE** - good structure, soft, voluptuous. The tannins and the acidity are well-balanced. Long, fruity finish

**TEMPERATURE** - 18-19 °C

**BOTTLE SIZES** - 0,375 Lt / 0,75 Lt / 1,5 Lt / 3,00 Lt

**FOOD PAIRINGS** - perfect with soups, pasta, and rice dishes, as well as both poultry and red meat dishes

Scacciadiavoli's Montefalco Rosso boasts an intense red ruby color, an expansive, elegant bouquet with scents of cherry, and a soft and voluptuous flavour.

According to the ancient wine-making tradition of the Montefalco area, after selecting the grapes for the production of the Montefalco Sagrantino, all the other varieties of red grapes were harvested for the production of a fresher wine, to accompany all types of dishes.

Montefalco Rosso lends itself well to aging for years. The presence of sediments in the bottom of the bottle is natural.

## Montefalco Sagrantino D.O.C.G.

**GRAPE VARIETY** - Sagrantino 100%

**YIELD PER HECTARE** - 60 q

**HARVEST** - from the 15th to the end of October: 3/4 weeks in 100 hl French oak vats. The temperature is controlled and maintained under 30° C, 86° F, throughout the alcoholic fermentation process.

**AGING** - in barrels and in large tanks made from French oak 18 months.

**COLOR** - intense, with garnet hues

**BOUQUET** - complex, elegant, intense fruit, with notes of red berries, red citrus, ripe plums, spices, and hints of herbs and leather

**TASTE** - big, tannic, but balanced with fresh acidity long fruity and spicy finish

**TEMPERATURE** - 18-19 °C

**BOTTLE SIZES** - 0,375 Lt / 0,75 Lt / 1,5 Lt / 3,00 Lt

Montefalco Sagrantino will surprise you with so many diverse aromas and a structure of such great importance. The color is profound, the bouquet sensual, and the mouthfeel and flavors are enveloping and persistent.

The elegance of the wine can already be appreciated when it is young: a well-balanced cornucopia of fruit and spice aromas meld with the wood, and the Sagrantino is enhanced.

But only after some years you can appreciate it fully, when it releases aromas of balsam, and the tannins soften, revealing a wine of great personality. Sagrantino is rich in polyphenols which are very powerful antioxidants.

## Aragon Vermentino

### ORGANOLEPTIC CHARACTERISTICS

Straw yellow with soft golden reflections. Intense olfactory baggage, exotic fruit, grapefruit and pleasant mineral nuances. The fresh-olfactory boost of long persistence is balanced. It goes well with grilled fish, squid and prawns. Excellent for aperitifs.

### VINIFICATION

After destemming-crushing, the grapes are placed in a heat exchanger to reduce their temperature to 10-12 ° C. It undergoes a short maceration of 12 hours, after pressing the must is fermented for 20 days at 16 ° C.

**CONTENT:** 750ml

**PERCENTAGE OF ALCOHOL:** 13% variable in different years

## Saudade Rosato Umbria IGT

### ORGANOLEPTIC CHARACTERISTICS

Soft pink, consistent and clear. Hints of cherry, strawberry and currant make up a complex, fresh and fruity aroma with a long persistence in the mouth. It goes well with white meats, fresh cheeses and grilled fish. Excellent for aperitifs.

### VINIFICATION

Classic vinification in white but with the king of reds. After harvesting, the grapes macerate on the skins in the press for 2 hours, then lightly pressed. The must is then fermented between 13 and 16 ° C of temperature for 18 days. Periodic decanting is carried out to facilitate the cleaning of the wine, and then it is clarified and filtered after 3 months in steel. Refines 3 months in the bottle.
