RICKHOUSE

RYE WHISKEY

Starlight Distillery and our rickhouses are located on the Knobstone Escarpment in Southern Indiana. Our small batch is so named as an homage to these rickhouses. Our Old Rickhouse small batch rye whiskey is a blend of 4-6-year-old whiskies. It is crafted from multiple mashbills that age in new, white American oak barrels. The result is rye whiskey that is smooth, full of flavor, and long lasting. Preferably enjoyed neat or on the rocks but can make a fantastic cocktail too.

- Rye is grown on the Huber farm as well as sourced.
- 100% sweet mash fermentation.
- 100% pot distilled and double distilled.

Blend of 2 rye mashbills:

- 80% rye; 20% malted barley
 - 90% rye; 10% malted barley
- (Averaged out for label to 85% rye; 15 malted barley)

- Aged in Rickhouse 2
