“... Likewise, our parishes, families, ecclesial groups and religious communities are called to undertake a shared journey during Lent, in which listening to the word of God, as well as to the cry of the poor and of the earth, becomes part of our community life, and fasting a foundation for sincere repentance. In this context, conversion refers not only to one’s conscience, but also to the quality of our relationships and dialogue. It means allowing ourselves to be challenged by reality and recognizing what truly guides our desires — both within our ecclesial communities and as regards humanity’s thirst for justice and reconciliation... ” **Pope Leo XIV. Lent message 2026**
