# HEALTH CLEARANCE

**Completed document due by August 28th**

PN Student Name: _____ Date of Birth: _______________

For the protection of students, patients, faculty and other personnel, individuals accepted to the Practical Nursing (PN) Program must provide documented proof of specific immunizations and/or immunity as appropriate, as well as completing a comprehensive screening for substances of potential impairment or abuse. Certain clinical agencies have immunization requirements that exceed those of the MA Department of Public Health and as a result the Program cannot make any exceptions. Failure to provide all required documentation may exclude the PN student from clinical practice and participation in the Program.
