

HEALTH CLEARANCE

Completed document due: August 1st

PN Student Name: _____

Date of Birth: ____________

For the protection of students, patients, faculty and other personnel, individuals accepted to the Practical Nursing (PN) Program must provide documented proof of specific immunizations and/or immunity as appropriate, as well as completing a comprehensive screening for substances of potential impairment or abuse. Certain clinical agencies have immunization requirements that exceed those of the MA Department of Public Health and as a result the Program cannot make any exceptions. Failure to provide all required documentation may exclude the PN student from clinical practice and participation in the Program.

TO BE COMPLETED BY THE STUDENT’S HEALTH CARE PROVIDER

This is to verify that _____, was examined by me on ____________.

Summary of Findings (check one):

- Well student; no conditions identified that would limit the ability to participate in the PN Program and safely perform nursing activities.
- Conditions have been identified that would limit the ability to participate in the PN Program and perform nursing activities.

The identified condition(s) does not pose a risk to safe nursing practice. (Please Identify condition, limitations, rationale for, and duration of the specific limitations.)

By signing below, I find her/him to be free of any health impairment which is of potential risk to students, patients, faculty, and other personnel and which might interfere with the safe performance of her\his nursing student responsibilities, with or without reasonable accommodation. Habituation or addiction to depressants, stimulants, narcotics, alcohol, or other drugs or substances that may alter the individual’s behavior has been considered in this evaluation.
