Why do you listen to the radio? For entertainment! KMRY AM-FM has a host of locally produced and hosted programs that stand out and create lots of talk...so your message stands out as well!

SATURDAY PROGRAMS

CORRIDOR BLEND is a unique 2-hour program on Saturdays from 5:00pm-7:00pm that features music from local artists and bands! We welcome submissions from local performers and even sometimes invite them on the show! There's some awesome talent in the Corridor!

JUKE BOX REWIND follows Corridor Blend on Saturday evenings from 7:00-9:00pm featuring themed shows, oldies from the 60s and 70s and even plays listener requests! It's full of nostalgic fun!

With each of these shows, you receive one :30-second ad EACH HOUR during the program. We'll provide copy and production at no additional charge.

SUNDAY PROGRAMS

SUNDAY MORNING POLKA SHOW is one of a kind! Playing music from his personal collection, Dave Franklin has been filling Sunday mornings from 9:00am-Noon with polkas, waltzes, schottisches, and more for more than 30 years...almost all by request! Talk about a loyal listenership!

MEMORY MUSIC OUR WAY is another long-standing tradition on KMRY. Sunday evenings beginning at 6:00pm, you'll find a variety of music from showtunes and swing to memories of the younger generation with 80s and 90s music not on our regular playlist.

With each of these shows, you receive a full :30-second ad during the program. We'll provide copy and production at no additional charge.
