**IT'S IMPOSSIBLE TO ADEQUATELY REPAY** the service of veterans who return from war zones bearing the most profound of injuries. As a humble token of our gratitude, the annual Wounded Heroes Golf Classic offers these brave men and women a day of fun-filled brotherhood. Friendly rivalries play out on three superb golf courses. Veterans and community come together to enjoy patriotic entertainment. Evening festivities include dinner and silent and live auctions, with proceeds benefiting our own Lowcountry heroes.

"These funds will be invaluable in helping our outstanding military charities achieve their shared mission of giving back to those who selflessly serve our country. We are proud of our long-standing partnership with the Lowcountry Foundation and continue to be amazed by the passion and dedication of all those involved."

## YOU HELP US CHANGE LIVES

In 2025, we made our largest donation EVER -- \$410,000 -- to charities vetted and approved by Birdies for the Brave (B4B), a PGA TOUR Charities, Inc. affiliate and part of the TOUR's military outreach program. All of B4B's salaries and expenses are paid for by the TOUR so 100% of our donations pass through them to the charities we designate, for the amounts we stipulate.

**LFWMH is a 100% ALL-VOLUNTEER** organization. This allows us to maximize your donations. We could not have achieved these donation levels without our incredibly generous and loyal sponsors, donors (of auction items and monetary donations), golfers, and our approximately 200 volunteers.

**\$3,000,000 is in our sights!** With your assistance, we know we can get there this year. We sincerely thank you for continuing to trust us to maximize your donations for our Wounded Heroes.

## OUR MISSION CONTINUES ...

**Ensuring the sacrifices of our Wounded Heroes – post 9/11 combat servicemen and servicewomen – are NEVER FORGOTTEN.** Your donations support Purple Heart recipients, those with PTSD or traumatic brain injury, and those with other afflictions who encounter challenges returning to active duty or assimilating back into civilian life.

**Providing funds to support programs that target specific needs of the Wounded Heroes we support ...** Post-9/11 combat may have ended but the injuries (both physical and emotional), for so many may last a lifetime. We all owe them our deepest gratitude for fighting for the freedoms we enjoy. Everything we do and how we do it is done to convey that gratitude.
