Polo for Charity Event Announces Leadership Transition

Bluffton, SC May 6, 2019 – After sponsoring 25 Charity Polo matches, the Rotary Club of Okatie-Bluffton is transitioning leadership of the event to the joint care of the Lowcountry Foundation for Wounded Military Heroes (LFWMH) and the 200 Club of the Coastal Empire. Both charitable organizations have agreed to host the next event scheduled for Sunday, October 27th, 2019 at the Rose Hill Equestrian Center. The event will be renamed to “Polo 4 Heroes” – with proceeds from the event benefiting our local heroes and their families -- military veterans, firefighters, law enforcement officers injured in the line of duty.

“We are pleased to pass the mallet to these two local foundations to continue the tradition of bringing world-class Polo to Bluffton” explained Julie Leister 2018-2019 President of the Okatie Rotary Club. “Special thanks to all of our great sponsors over these past years. We hope you will continue to support the event under the new leadership.”

“The team at Okatie Rotary Club has done a great job at building this charity event and our foundations are extremely proud to be hosting it going-forward.” said Russ Spicer (LFWMH) and Joe Grimm (200 Club). “The event will be an important part of our fundraising commitment to help wounded heroes and their families in the Lowcountry.” These two local nonprofit charities, organized and operated 100% by volunteers, raise funds to support our local heroes injured or having perished in the line of duty. The LFWMH and the 200 Club of the Coastal Empire, serve similar missions...helping to care for those who care for us.

A new website www.Polo4Heroes.com has been established as the portal for future information and sponsorship opportunities of the event. For More Information: Contact Joe Grimm at Polo4Heroes@gmail.com.
