Notes

1 Evidence of Coverage (EOC):

The Evidence of Coverage (EOC) describes the Benefits, limitations, and exclusions that apply to coverage under this Plan. Please review the EOC for more details of coverage outlined in this Summary of Benefits. You can request a copy of the EOC at any time.

Capitalized terms are defined in the EOC. Refer to the EOC for an explanation of the terms used in this Summary of Benefits.

2 Calendar Year Deductible (CYD):

Calendar Year Deductible explained. A Calendar Year Deductible is the amount you pay each Calendar Year before Blue Shield pays for Covered Services under the Plan.

If this Plan has any Calendar Year Deductible(s), Covered Services subject to that Deductible are identified with a check mark (✓) in the Benefits chart above.

3 Using Participating Providers:

Participating Providers have a contract to provide health care services to Members. When you receive Covered Services from a Participating Provider, you are only responsible for the Copayment or Coinsurance, once any Calendar Year Deductible has been met.

Teladoc. Teladoc mental health and substance use disorder consultations are provided through Teladoc. These services are not administered by Blue Shield's Mental Health Service Administrator (MHSA).

4 Calendar Year Out-of-Pocket Maximum (OOPM):

Calendar Year Out-of-Pocket Maximum explained. The Out-of-Pocket Maximum is the most you are required to pay for Covered Services in a Calendar Year. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Services for the rest of the Calendar Year.

Your payment after you reach the Calendar Year OOPM. You will continue to pay all charges for services that are not covered, charges above the Allowed Charges, and charges for services above any Benefit maximum.

Family coverage has an individual OOPM within the Family OOPM. This means that the OOPM will be met for an individual with Family coverage who meets the individual OOPM prior to the Family meeting the Family OOPM within

a Calendar Year. Any amount you have paid toward the individual OOPM will be applied to both the individual OOPM and the Family OOPM.

5 Separate Member Payments When Multiple Covered Services are Received:

Each time you receive multiple Covered Services, you might have separate payments (Copayment or Coinsurance) for each service. When this happens, you may be responsible for multiple Copayments or Coinsurance. For example, you may owe an office visit payment in addition to an allergy serum payment when you visit the doctor for an allergy shot.

6 Preventive Health Services:

If you only receive Preventive Health Services during a Physician office visit, there is no Copayment or Coinsurance for the visit. If you receive both Preventive Health Services and other Covered Services during the Physician office visit, you may have a Copayment or Coinsurance for the visit.

7 Outpatient Prescription Drug Coverage:

Medicare Part D-creditable coverage-

This Plan's prescription drug coverage is on average equivalent to or better than the standard benefit set by the federal government for Medicare Part D (also called creditable coverage). Because this plan's prescription drug coverage is creditable, you do not have to enroll in Medicare Part D while you maintain this coverage; however, you should be aware that if you do not enroll in Medicare Part D within 63 days following termination of this coverage, you could be subject to Medicare Part D premium penalties.

8 Outpatient Prescription Drug Coverage:

Brand Drug coverage when a Generic Drug is available. If you, the Physician, or Health Care Provider, select a Brand Drug when a Generic Drug equivalent is available, you are responsible for the difference between the cost to Blue Shield for the Brand Drug and its Generic Drug equivalent plus the tier 1 Copayment or Coinsurance. This difference in cost will not count towards any Calendar Year pharmacy Deductible, medical Deductible, or the Calendar Year Out-of-Pocket Maximum.

See the Obtaining outpatient prescription Drugs at a Participating Pharmacy section of the EOC for more information about how a brand contraceptive may be covered without a Copayment or Coinsurance.

Request for Medical Necessity Review. If you or your Physician believes a Brand Drug is Medically Necessary, either person may request a Medical Necessity Review. If approved, the Brand Drug will be covered at the applicable Drug tier Copayment or Coinsurance.

Short-Cycle Specialty Drug program. This program allows initial prescriptions for select Specialty Drugs to be filled for a 15-day supply with your approval. When this occurs, the Copayment or Coinsurance will be pro-rated.

Specialty Drugs. Specialty Drugs are only available from a Network Specialty Pharmacy, up to a 30-day supply.

Oral Anticancer Drugs. You pay up to \$250 for oral Anticancer Drugs from a Participating Pharmacy, up to a 30-day supply. Oral Anticancer Drugs from a Participating Pharmacy are not subject to any Deductible.

Mail service Drugs. You pay the applicable 30-day retail pharmacy Copayment or Coinsurance for a 30-day supply or less from the mail services pharmacy.

9 Pediatric Dental Coverage:

Pediatric dental Benefits are provided through Blue Shield's Dental Plan Administrator (DPA).

Orthodontic Covered Services. The Copayment or Coinsurance for Medically Necessary orthodontic Covered Services applies to a course of treatment even if it extends beyond a Calendar Year. This applies as long as the Member remains enrolled in the Plan.

Notes

This plan is compliant with requirements of the pediatric dental EHB benchmark plan, including coverage of services in circumstances of Medical Necessity as defined in the Early Periodic Screening, Diagnosis and Treatment (EPSDT) benefit.

10 Pediatric Vision Coverage:

Pediatric vision Benefits are provided through Blue Shield's Vision Plan Administrator (VPA).

Coverage for frames. If frames are selected that are more expensive than the Allowable Amount established for frames under this Benefit, you pay the difference between the Allowable Amount and the provider's charge.

"Collection frames" are covered with no Member payment from Participating Providers. Retail chain Participating Providers do not usually display the frames as "collection," but a comparable selection of frames is maintained.

"Non-collection frames" are covered up to an Allowable Amount of \$150; however, if the Participating Provider uses:

- wholesale pricing, then the Allowable Amount will be up to \$99.06.
- warehouse pricing, then the Allowable Amount will be up to \$103.64.

Participating Providers using wholesale pricing are identified in the provider directory.

Introduction

Welcome! We are happy to have you as a Member of our Blue Shield of California (Blue Shield) health plan.

At Blue Shield, our mission is to ensure all Californians have access to high-quality health care at an affordable price. To achieve this mission, we pledge to:

- Provide personal service to you that is worthy of our family and friends; and
- Build deep, trusting relationships with providers to improve the quality of health care and lower the cost.

A Blue Shield health plan will help you pay for medical care and provide you with access to a network of doctors, Hospitals, and other Health Care Providers. The types of services that are covered, the providers you can see, and your share of cost when you receive care may vary depending on your plan.

About this Evidence of Coverage

The Evidence of Coverage describes the health care coverage that is provided under the Group Health Service Contract (Contract) between Blue Shield and your Employer. The Evidence of Coverage tells you:

- Your eligibility for coverage;
- When coverage begins and ends;
- How you can access care;
- Which services are covered under your plan;
- Which services are not covered under your plan;
- When and how you must get prior authorization for certain services; and
- Important financial concepts, such as Copayment, Coinsurance, Deductible, and Out-of-Pocket Maximum.

This Evidence of Coverage includes a [Summary of Benefits](#) section that lists your Cost Share for Covered Services. Use this summary to figure out what your cost will be when you receive care.

Please read this Evidence of Coverage carefully. Some topics in this document are complex. For additional explanation on these topics, you may be directed to a section at the back of the Evidence of Coverage called [Other important information about your plan](#). Pay particular attention to sections that apply to any special health care needs you may have. Be sure to keep this Evidence of Coverage in your files for future reference.

About this plan

This is a Health Maintenance Organization (HMO) plan. In an HMO plan, you have access to a network of providers who collaborate to bring you personal, efficient care. You will choose a Primary Care Physician (PCP) who is your first point of contact and manages your care. Your PCP is part of a group of Physicians called a Medical Group. Your PCP can refer you to Participating Providers in your Medical Group for specialized care and assist with other care needs. See the [How to access care](#) section for information about Participating Providers.

The Access+ HMO offers a wide choice of Physicians, Hospitals, and other Health Care Providers and includes special features such as Access+ Specialists.

How to access care

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

Health care professionals and facilities

This plan covers care from Participating Providers within your Medical Group.

Participating Providers

Participating Providers have a contract with a Medical Group in this plan's network. With an HMO plan, there is generally no coverage for services from providers outside of your Medical Group.

If a provider leaves your Medical Group, you will not have coverage for services received from that provider. See the [Continuity of Care](#) section for more information on how to continue treatment with a Non-Participating Provider.

Visit blueshieldca.com or use the Blue Shield mobile app and click on **Find a Doctor** for a list of your plan's **Participating Providers**.

Non-Participating Providers

Non-Participating Providers do not have a contract with Blue Shield to accept Blue Shield's Allowed Charges as payment in full for Covered Services. Except for Emergency Services, Urgent Services, services received at a Participating Provider facility (Hospital, Ambulatory Surgery Center, laboratory, radiology center, imaging center, or certain other outpatient settings) under certain conditions, and services provided by a 988 center, Mobile Crisis Team, or other provider of Behavioral Health Crisis Services, this plan does not cover services from Non-Participating Providers.

Non-Participating Providers at a Participating Provider facility

When you receive care at a Participating Provider facility, some Covered Services may be provided by a Non-Participating Provider. Your Cost Share will be the same as the amount due to a Participating Provider under similar circumstances, and you will not be responsible for additional charges above the Allowed Charges, unless the Non-Participating Provider provides you written notice of what they may charge and you consent to those terms.

Common types of providers

Primary Care Physicians (PCPs)

Common types of providers

Other primary care providers, such as nurse practitioners and physician assistants

Physician Specialists, such as dermatologists and cardiologists

Physical, occupational, and speech therapists

Mental health providers, such as psychiatrists, psychologists, and licensed clinical social workers

Hospitals

Freestanding labs and radiology centers

Ambulatory Surgery Centers

Benefit Administrators

Blue Shield contracts with Benefit Administrators to manage the Benefits listed in the table below through their own network of providers. Benefit Administrators authorize services, process claims, and address complaints and grievances for those Benefits on behalf of Blue Shield. If you receive a Covered Service from a Benefit Administrator, you should interact with the Benefit Administrator in the same way you would otherwise interact with your PCP.

Blue Shield's Benefit Administrators

Benefit Administrator	Benefit
Dental Plan Administrator (DPA)	Pediatric dental Benefits
Vision Plan Administrator (VPA)	Pediatric vision Benefits
Mental Health Service Administrator (MHSA)	Mental Health and Substance Use Disorder services
ASH Plans	Acupuncture services

Your Primary Care Physician

In an HMO plan, you are required to have a Primary Care Physician (PCP). Your PCP is your first point of contact for any health concern and for Preventive Health Services. Your PCP will also manage other aspects of your care, including:

- Prior authorization requests;
- Health education;
- Specialist referrals;
- Hospital admissions; and
- Hospice program admissions.

Selecting a PCP

Blue Shield will initially choose a PCP for you, but you can change this selection. You do not need to choose the same PCP for each Member in your family. To change your PCP, visit blueshieldca.com.

PCPs may be:

- General practitioners;
- Family practitioners;
- Internists;
- Obstetrician/gynecologists; or
- Pediatricians.

Your PCP must be a Participating Provider. If your PCP leaves this plan's network, Blue Shield will choose a new PCP for you and notify you.

Your relationship with your PCP

The relationship you have with your PCP is an important element of an HMO plan. Your PCP has a unique holistic view of your medical care. He or she will know your health history, which may help identify problems before they become serious. Your PCP will work with you to ensure you receive Medically Necessary professional services and accommodate your preferences to the extent possible. This relationship also allows for more open communication between you and your PCP. If you are unable to establish a satisfactory relationship with your PCP, you can choose a new one.

Your Medical Group

Some PCPs contract directly with Blue Shield, but most are part of a Medical Group. Medical Groups:

- Share administrative responsibilities with your PCP;
- Work with your PCP to authorize Covered Services;
- Ensure that a full panel of Specialists are available to you; and
- Have admission arrangements with Blue Shield's contracted Hospitals within the Medical Group Service Area.

Your PCP and Medical Group are listed on your ID card.

Changing your Medical Group

You can change your Medical Group by visiting blueshieldca.com. If your PCP is not part of your new Medical Group, you will also have to select a new PCP.

Changes to your Medical Group are effective on the first day of the month after Blue Shield approves the change. Once the change is effective, authorizations for any services by your old Medical Group are no longer valid. If you still need these services, they must be reauthorized by your new Medical Group.

You may not change Medical Groups while you are admitted to the Hospital or in the third trimester of pregnancy. Any requested changes to your Medical Group in these situations will not be effective until the first day of the month after the date of your discharge from the Hospital or completion of postpartum care.

A change in Medical Group during an ongoing course of treatment may interrupt your care. Any requested changes to your Medical Group during an ongoing course of treatment requires an exception. Exceptions must be approved by a Blue Shield Medical Director and will be effective when medically appropriate to transfer care. Call Customer Service for more information.

Self-referral for obstetrical/gynecological (OB/GYN) services

You do not need a referral from your PCP for OB/GYN services as long as the obstetrician, gynecologist, or family practice Physician you see is in your Medical Group. Your Cost Share for OB/GYN services with that Physician will be the same as if you received those services from your PCP.

OB/GYN services are female reproductive and sexual health care services. OB/GYN services include Physician services related to:

- Family planning and contraception;
- Treatment during pregnancy;
- Diagnosis and treatment of disorders of the female reproductive system and genitalia;
- Treatment of disorders of the breast; and
- HIV testing.

Specialist referrals

You have two options if you need to see a Specialist.

PCP referrals

This option requires a referral from your PCP to see most types of Specialist. Your PCP will refer you to a Specialist or other appropriate Participating Provider in your Medical Group.

Self-referral to an Access+ Specialist

With this option, you do not need a referral from your PCP to visit an Access+ Specialist in your Medical Group. You can self-refer to an Access+ Specialist for:

- An examination or other consultation; and
- In-office diagnostic procedures or treatment.

You cannot self-refer to an Access+ Specialist for:

- Allergy testing;
- Endoscopic procedures;
- Advanced imaging, including CT, MRI, or bone density measurement;
- Injectables, chemotherapy, or other infusion Drugs, other than vaccines and antibiotics;
- Infertility services;
- Inpatient services or any services that result in a facility charge, except for routine X-ray and laboratory services; or
- Services for which the Medical Group routinely allows you to self-refer without authorization from your PCP.

ID cards

Blue Shield will provide the Subscriber and any enrolled Dependents with identification cards (ID cards). Only you can use your ID card to receive Benefits. Your ID card is important for accessing health care, so please keep it with you at all times. Temporary ID cards are available at blueshieldca.com or on the Blue Shield mobile app.

Canceling appointments

If you are unable to keep an appointment, you should notify the provider at least 24 hours before your scheduled appointment. Some offices charge a fee for missed appointments unless it is due to an emergency or you give 24-hour advance notice.

Continuity of care

Continuity of care may be available if:

- Blue Shield, the Medical Group, or the MHSA no longer contracts with your Former Participating Provider for the services you are receiving;
- You are a newly-covered Member whose coverage choices do not include out-of-network Benefits; or
- You are a newly-covered Member whose previous health plan was withdrawn from the market.

Continuity of care may also be available to you when your Employer terminates its contract with Blue Shield and contracts with a new health plan (insurer) that does not include your Blue Shield Participating Provider in its network.

If your Former Participating Provider is no longer available to you for one of the reasons noted above, Blue Shield, the Medical Group, or the MHSA will notify you of the option to continue treatment with your Former Participating Provider.

You can request to continue treatment with your Former Participating Provider in the situations described above if you are currently receiving the following care:

 Continuity of care with a Former Participating Provider 	
Qualifying conditions	Timeframe
Undergoing a course of institutional or inpatient care	90 days from the date of receipt of notice of the termination of the Former Participating Provider's contract, the Employer's contract, or until the treatment concludes, whichever is sooner
Acute conditions	As long as the condition lasts
Maternal mental health condition	12 months after the condition's diagnosis or 12 months after the end of the pregnancy, whichever is later
Ongoing pregnancy care, including care immediately after giving birth	Up to 12 months
Recommended surgery or procedure documented to occur within 180 days	Within 180 days
Ongoing treatment for a child up to 36 months old	Up to 12 months
Serious chronic condition	Up to 12 months
Terminal illness	The duration of the terminal illness

If a condition falls within a qualifying condition under federal and state law, the more generous time frames would be followed.

To request continuity of care, visit blueshieldca.com and fill out the Continuity of Care Application. Blue Shield will confirm your eligibility and may review your request for Medical Necessity.

Under Federal law, the Former Participating Provider must accept Blue Shield's, the Medical Group's, or the MHSA's Allowed Charges as payment in full for the first 90 days of your ongoing care. Once the provider accepts and your request is authorized, you may continue to see the Former Participating Provider at the Participating Provider Cost Share.

See the [Your payment information](#) section for more information about the Allowed Charges.

Second medical opinion

You can ask your PCP for a referral to another provider for a second medical opinion in situations including but not limited to:

- You have questions about the reasonableness or necessity of the treatment plan;
- There are different treatment options for your medical condition;
- Your diagnosis is unclear;
- Your condition has not improved after completing the prescribed course of treatment;
- You need additional information before deciding on a treatment plan; or
- You have questions about your diagnosis or treatment plan.

Your Medical Group will work with you to arrange for a second medical opinion.

Who provides your second medical opinion	
<i>If you want a second opinion on</i>	<i>It will come from</i>
A proposed treatment plan from your PCP	Another PCP in your Medical Group
A proposed treatment plan from a Specialist	A Participating Provider in the same or equivalent specialty

Care outside of California

If you need urgent or emergency medical care while traveling outside of California, you're covered. Blue Shield has relationships with health plans in other states, Puerto Rico, and the U.S. Virgin Islands through the BlueCard® Program. The Blue Cross Blue Shield Association can help you access care in those geographic areas.

See the [Out-of-area services](#) section for more information about receiving care while outside of California. To find participating providers while outside of California, visit [bcbs.com](https://www.bcbs.com).

Emergency Services

If you have a medical emergency, **call 911 or seek immediate medical attention** at the nearest hospital.

The Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition. Emergency Services are covered at the Participating Provider Cost Share, even if you receive treatment from a Non-Participating Provider.

After you receive care, Blue Shield will review your claim for Emergency Services to determine if your condition was in fact an Emergency Medical Condition. If you did not require Emergency Services and did not reasonably believe an emergency existed, you will be responsible for the entire cost of that non-emergency service.

If you cannot find a Participating Provider

Your PCP will refer you to other providers in your Medical Group for the care you need. If these services cannot reasonably be obtained from a Participating Provider, you can ask your Medical Group for authorization to see a Non-Participating Provider. They will review your request for Medical Necessity, and if approved, your Medical Group will pay for Covered Services from the Non-Participating Provider. You will only be responsible for the Participating Provider Cost Share. If the Medical Group cannot provide the necessary care, you can call Customer Service for help finding a Participating Provider who can provide the requested services.

Other ways to access care

For non-emergencies, it may be faster and easier to access care in one of the following ways. For more information, visit [blueshieldca.com](https://www.blueshieldca.com) or use the Blue Shield mobile app.

Teladoc

Teladoc, a Third-Party Corporate Telehealth Provider, provides health consultations by phone or secure online video. Teladoc general medical Physicians can diagnose and treat basic non-emergency medical conditions, and can also prescribe certain medication. Teladoc mental health consultations are available for Members age 13 and older. Members under age 13 may obtain telebehavioral health services for Mental Health and Substance Use Disorders from MHSA Participating Providers. Teladoc is a supplemental service that is not intended to replace care from your PCP, care from your MHSA Participating Provider, or your relationship with your PCP.

How to access Teladoc		
Teladoc service	Ways to access	Availability
General medical	Phone: 1-800-835-2362 Online: blueshieldca.com/teladoc	24 hours a day, 7 days a week by phone or secure online video Consultations can be requested on-demand or by scheduled appointment

Telebehavioral health services

Online telebehavioral health services for Mental Health and Substance Use Disorders are available through MHSA Participating Providers, and are a Covered Service regardless of your age. Telebehavioral health includes counseling services, psychotherapy, and medication management with a mental health provider. If you are currently receiving telebehavioral health services for Mental Health and Substance Use Disorders, you can continue to receive those services with the MHSA Participating Provider rather than switching to a Third-Party Corporate Telehealth Provider. Visit blueshieldca.com and click on Find a Doctor to access the MHSA network.

Urgent care centers

Urgent care centers are free-standing facilities that provide many of the same basic medical services as a doctor's office, often with extended hours but similar Cost Share.

If your condition is not an emergency, but you need treatment that cannot be delayed, you can visit an urgent care center to receive care that is typically faster and costs less than an emergency room visit.

If you are in your Medical Group Service Area, go to the urgent care center designated by your Medical Group or call your PCP. If you are outside of your

Medical Group Service Area but within California and need urgent care, you may visit any urgent care center near you.

Ambulatory Surgery Centers

Many of the more common, uncomplicated, outpatient surgical procedures can be performed at an Ambulatory Surgery Center. Your cost at an Ambulatory Surgery Center may be less than it would be for the same outpatient surgery performed at a Hospital.

Evaluations and services under the CARE Act

Blue Shield covers the cost of developing an evaluation and the provision of all health care services for an enrollee when required or recommended pursuant to a CARE (Community Assistance, Recovery, and Empowerment) agreement or CARE plan approved by a court in accordance with the CARE Act. The evaluation and services, other than prescription Drugs, are covered at no charge whether they are provided by a Participating or Non-Participating Provider.

Medical management

Medical management can help you coordinate your care and treatment. It includes utilization management and care management. Blue Shield uses utilization management to help you and your providers identify the most appropriate and cost-effective way to use the Benefits of this plan. Care management and palliative care can help you access the care you need to manage serious health conditions and complex treatment plans.

For written information about **Blue Shield's Utilization Management Program**, visit [blueshieldca.com](https://www.blueshieldca.com).

Prior authorization and PCP referrals

Coverage for most Benefits requires pre-approval from the Medical Group. This process is called prior authorization. Prior authorization requests are reviewed for Medical Necessity, available plan Benefits, and clinically appropriate setting. Your PCP will manage your prior authorization requests.

A referral from your PCP is usually required when you want to see a Specialist or other provider, but there are some exceptions. You do not need a referral for:

- Emergency Services;
- Urgent Services;
- Trio+ Specialist visits;
- OB/GYN services by an obstetrician, gynecologist, or family practice Physician within your Medical Group; and
- Office visits with your PCP or for outpatient Mental Health and Substance Use Disorder services with an MHSA Participating Provider.

Prescription Drugs administered by a Health Care Provider

Drugs administered by a Health Care Provider in a Physician's office, an infusion center, the Outpatient Department of a Hospital, or provided at home through a home infusion agency, are covered under the medical benefit and require prior authorization from your Medical Group or from Blue Shield.

The prior authorization process for self-administered prescription Drugs available at a retail, specialty, or mail order pharmacy is explained in the [Prescription Drug Benefits](#) section.

Benefits are provided for COVID-19 therapeutics approved or granted emergency use authorization by the U.S. Food and Drug Administration for treatment of COVID-19 when prescribed or furnished by a Health Care Provider acting within their scope of practice and the standard of care. Coverage is provided without a Cost Share for services provided by a Participating Provider.

For a disease for which the Governor of the State of California has declared a public health emergency, therapeutics approved or granted emergency use authorization by the U.S. Food and Drug Administration for that disease will be covered without a Cost Share.

When a decision will be made about your prior authorization request

Prior authorization or exception request	Time for decision
Routine medical, Mental Health and Substance Use Disorder, dental, and vision requests	Within five business days
Expedited medical, Mental Health and Substance Use Disorder, dental, and vision requests	Within 72 hours
Routine prescription Drug requests	Within 72 hours
Expedited prescription Drug requests	Within 24 hours

Expedited requests include urgent medical and exigent pharmacy requests. Once the decision is made, your provider will be notified within 24 hours. Written notice will be sent to you and your provider within two business days.

While you are in the Hospital (inpatient utilization review)

When you are admitted to the Hospital, your stay will be monitored for continued Medical Necessity. If it is no longer Medically Necessary for you to receive an inpatient level of care, your Medical Group will send a written notice to you, your provider, and the Hospital. If you choose to stay in the Hospital past the date indicated in this notice, you will be financially responsible for all inpatient charges after that date. Exceptions to inpatient utilization review include maternity and mastectomy care.

For maternity, the minimum length of an inpatient stay is 48 hours for a normal, vaginal delivery and 96 hours for a C-section. The provider and mother together may decide that a shorter length of stay is adequate.

For mastectomy, you and your provider determine the Medically Necessary length of stay after the surgery.

After you leave the Hospital (discharge planning)

You may still need care at home or in another facility after you are discharged from the Hospital. Your Medical Group will work with you, your provider, and the Hospital's discharge planners to determine the most appropriate and cost-effective way to provide this care.

Using your Benefits effectively (care management)

Care management helps you coordinate your health care services and make the most efficient use of your plan Benefits. Its goal is to help you stay as healthy as possible while managing your health condition, to avoid unnecessary emergency room visits and repeated hospitalizations, and to help you with the transition from Hospital to home. A Blue Shield care management nurse may contact you to see how we might help you manage your health condition. You may also request care management support by calling Customer Service. A case manager can:

- Help you identify and access appropriate services;
- Instruct you about self-management of your health care conditions; and
- Identify community resources to lend support as you learn to manage a chronic health condition.

Alternative services may be offered when they are medically appropriate and only utilized when you, your provider, and Blue Shield mutually agree. The availability of these services is specific to you for a set period of time based on your health condition. Blue Shield does not give up the right to administer your Benefits according to the terms of this Evidence of Coverage or to discontinue any alternative services when they are no longer medically appropriate. Blue Shield is not obligated to cover the same or similar alternative services for any other Member in any other instance.

Managing a serious illness (palliative care services)

Blue Shield covers palliative care services if you have a serious illness. Palliative care provides relief from the symptoms, pain, and stress of a serious illness to help improve the quality of life for you and your family.

Palliative care services include access to Physicians and case managers who are specially trained to help you:

- Manage your pain and other symptoms;
- Maximize your comfort, safety, autonomy, and well-being;
- Navigate a course of care;
- Make informed decisions about therapy;
- Develop a survivorship plan; and
- Document your quality-of-life choices.

Your payment information

Paying for coverage

Your Employer is responsible for a monthly payment to Blue Shield for health care coverage for the Subscriber and any enrolled Dependents. This monthly payment is a Premium. Any amount the Subscriber must contribute to the Premium is set by your Employer.

The contract states the monthly Premiums for this plan for the Subscriber and any enrolled Dependents.

Paying for Covered Services

Your Cost Share is the amount you pay for Covered Services. It is your portion of the Blue Shield Allowed Charges.

Your Cost Share includes any:

- Deductible;
- Copayment amount; and
- Coinsurance amount.

See the [Summary of Benefits](#) section for your **Cost Share** for Covered Services.

Allowed Charges and capitation

Participating Providers agree to accept the Allowed Charges as payment in full for Covered Services provided or arranged by Blue Shield, except as stated in the [Exception for other coverage](#) and [Reductions – third party liability](#) sections. Covered Services provided or arranged by the Medical Group are paid for by capitation payments. Every month, Blue Shield pays a set dollar amount to the Medical Group for each enrolled Member. The capitation payments are available to cover the cost of services when you need them.

If there is a payment dispute between Blue Shield and a Participating Provider over Covered Services you receive, the Participating Provider must resolve that dispute with Blue Shield. You are not required to pay for Blue Shield's portion of the Allowed Charges. You are only required to pay your Cost Share for those services.

When you see a Participating Provider, you are responsible for your Cost Share.

Calendar Year Deductible

The Deductible is the amount you pay each Calendar Year for Covered Services before Blue Shield begins payment. Blue Shield will pay for some Covered Services before you meet your Deductible.

Amounts you pay toward your Deductible count toward your Out-of-Pocket Maximum.

Some plans do not have a Deductible. For plans that do, there may be separate Deductibles for:

- an individual Member and an entire Family; and
- Medical and pharmacy Benefits.

If you have a Family plan, there is an individual Deductible within the Family Deductible. This means an individual family member can meet the individual Deductible before the entire Family meets the Family Deductible.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Deductible for your individual plan will be applied to both the individual Deductible and the Family Deductible for your new plan.

See the [Summary of Benefits](#) section for details on which Covered Services are subject to the Deductible and how the Deductible works for your plan.

Prior carrier Deductible credit

If you pay all or part of a Deductible for another Employer-sponsored health plan in the same Calendar Year you enroll in this plan, that amount will be applied to this plan's Deductible if:

- You were enrolled in an Employer-sponsored health plan with another carrier during the same Calendar Year this contract becomes effective and you enroll as of the original effective date of coverage under this contract;
- You were enrolled in another Blue Shield plan sponsored by the same Employer which this plan is replacing; or
- You were enrolled in another Blue Shield plan sponsored by the same Employer and you are transferring to this plan during open enrollment.

Copayment and Coinsurance

A Covered Service may have a Copayment or a Coinsurance. A Copayment is a specific dollar amount you pay for a Covered Service. A Coinsurance is a percentage of the Allowed Charges you pay for a Covered Service.

Your provider will ask you to pay your Copayment or Coinsurance at the time of service. For Covered Services that are subject to your plan's Deductible, you are also responsible for all costs up to the Allowed Charges until you reach your Deductible.

You will continue to pay the Copayment or Coinsurance for each Covered Service you receive until you reach your Out-of-Pocket Maximum.

Calendar Year Out-of-Pocket Maximum

The Out-of-Pocket Maximum is the most you are required to pay in Cost Share for Covered Services in a Calendar Year. Your Cost Share includes Deductible, Copayment, and Coinsurance, and these amounts count toward your Out-of-Pocket Maximum, except as listed below. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Services for

the rest of the Calendar Year. If you want information about your Out-of-Pocket Maximum, you can call Customer Service.

If you have a Family plan, you will have a separate Out-of-Pocket Maximum for each individual Member and one for the entire Family.

If you have a Family plan, there is an individual Out-of-Pocket Maximum within the Family Out-of-Pocket Maximum. This means an individual family member can meet the individual Out-of-Pocket Maximum before the entire Family meets the Family Out-of-Pocket Maximum.

If you have an individual plan and you enroll a Dependent, your plan will become a Family plan. Any amount you have paid toward the Out-of-Pocket Maximum for your individual plan will be applied to both the individual Out-of-Pocket Maximum and the Family Out-of-Pocket Maximum for your new plan.

The following do not count toward your Out-of-Pocket Maximum:

- Charges for services that are not covered;
- Charges over the Allowed Charges; and
- Charges for services over any Benefit maximum.

You will continue to be responsible for these costs even after you reach your Out-of-Pocket Maximum.

See the [Summary of Benefits](#) section for details on how the Out-of-Pocket Maximum works for your plan.

Accrual balance

Blue Shield provides a summary of your accrual balances toward your Calendar Year Deductible, if any, and Out-of-Pocket Maximum for every month in which your Benefits were used until the full amount has been met. This summary will be mailed to you unless you opt to receive it electronically or have already opted out of paper mailings. You can opt back in to receive paper mailings at any time or elect to receive your balance summary electronically by logging into your member portal online and updating your communication preferences, or by calling Customer Service at the number on the back of your ID card. You can also check your accrual balances at any time by logging into your member portal online, which is updated daily, or calling Customer Service. Your accrual balance information is updated once a claim is received and processed and may not reflect recent services.

Cost Share concepts in action

To recap, you are responsible for all costs for Covered Services until you reach your Deductible. Once you reach your Deductible, Blue Shield will pay the Allowed Charges for Covered Services, minus your Copayment or Coinsurance amounts, until you reach your Out-of-Pocket Maximum. Once you reach your Out-of-Pocket Maximum, Blue Shield will pay 100% of the Allowed Charges for Covered Services. Exceptions are described above.

EXAMPLE Cost to visit the doctor

Now that you know the basics, here is an example of how your Cost Share works. Please note, the DOLLAR AMOUNTS IN THE EXAMPLE ARE EXAMPLES ONLY AND DO NOT REFLECT ACTUAL DOLLAR AMOUNTS FOR YOUR PLAN.

Example: You visit the doctor for a sore throat. You have received Covered Services throughout the year and have already met your \$500 Deductible. However, you have not yet met your \$1,000 Out-of-Pocket Maximum.

*Deductible: **\$500***

*Amount paid to date toward Deductible: **\$500***

*Out-of-Pocket Maximum: **\$1,000***

*Amount paid to date toward Out-of-Pocket Maximum: **\$500***

*Participating Provider Copayment: **\$30***

*Blue Shield Allowed Charges for the doctor's visit: **\$100***

	Participating Provider
You pay	\$30 (\$30 Copayment)
Blue Shield pays	\$70 (Allowed Charges minus your Cost Share)
Total payment to the doctor	\$100 (Allowed Charges)

In this example, because you have already met your Deductible, you are only responsible for the Participating Provider Copayment.

Claims for Emergency or Urgent Services

If you receive Emergency or Urgent Services from a Non-Participating Provider, you may be required to pay the charges in full and submit a claim to Blue Shield to request

reimbursement. Blue Shield may send the payment to the Subscriber or directly to the Non-Participating Provider.

Claim forms are available at [blueshieldca.com](https://www.blueshieldca.com). Please submit your claim form and medical records within one year of the service date.

 - For the Subscriber's spouse to be eligible for this plan, the Subscriber and spouse must not be legally separated.
 - For the Subscriber's Domestic Partner to be eligible for this plan, the Subscriber and Domestic Partner must have a registered domestic partnership (except as otherwise permitted by your Employer).
 - "Child" includes a stepchild, newborn, child placed for adoption, child placed in foster care, and child for whom the Subscriber, spouse, or Domestic Partner is the legal guardian. It does not include a grandchild unless the Subscriber, spouse, or Domestic Partner has adopted or is the legal guardian of the grandchild.
 - A child age 26 or older can remain enrolled as a Dependent if the child is disabled, incapable of self-support because of a mental or physical disability, and chiefly dependent on the Subscriber for economic support.
 - The Dependent child's disability must have begun before the period he or she would become ineligible for coverage due to age.
 - Blue Shield will send a notice of termination due to loss of eligibility 90 days before the date coverage will end. The Subscriber must inform Blue Shield of the Dependent's eligibility for continuation of coverage within 60 days of receipt of this notice in order to continue coverage.
 - The Subscriber must submit proof of continued eligibility for the Dependent at Blue Shield's request. Blue Shield may not request this information again for two years after the initial determination. Blue Shield may request this information no more than once a year after that. The Subscriber's failure to provide this information could result in termination of a Dependent's coverage.

Enrollment and effective dates of coverage

As the Subscriber, you can enroll in coverage for yourself and your Dependents during your initial enrollment period, your Employer's annual open enrollment period, or if you qualify for a special enrollment period.

You are eligible for coverage as a Subscriber on the day following the date you complete any applicable waiting period established by your Employer. Coverage starts at 12:01 a.m. Pacific Time on the effective date of coverage. The Benefits of this plan are not available before the effective date of coverage. This Contract has a 12-month term that begins on your Employer's effective date of coverage.

Open enrollment period

The open enrollment period is the time when most people apply for coverage or change coverage. You will have an annual open enrollment period set by your Employer. Your Employer will notify its Employees of the open enrollment period each year.

Special enrollment period

A special enrollment period is a time outside open enrollment when you can apply for coverage or change coverage. A special enrollment period begins with a Triggering Event.

A special enrollment period gives you at least 30 days from a Triggering Event to apply for or change coverage for yourself or your Dependents. See the [Special enrollment period](#) section for more information. You should notify your Employer as soon as possible if you experience a Triggering Event that requires a change in your coverage.

Common Triggering Events

Change in Dependents

Loss of coverage under another employer health plan or other health insurance

Loss of eligibility in a government program

For a complete list of Triggering Events, see [Special enrollment period](#) on page 93 in the [Other important information about your plan](#) section.

Effective date of coverage for most special enrollment periods

If enrolled during initial enrollment or open enrollment, a Dependent will have the same effective date of coverage as the Subscriber. However, a Dependent may have a different effective date of coverage if added during a special enrollment period. Generally, if the Employee or Dependents qualify for a special enrollment period, coverage will begin no later than the 1st of the month following the date Blue Shield receives the request for special enrollment from your Employer.

Effective date of coverage for a new spouse or Domestic Partner

The effective date of coverage for a new spouse or Domestic Partner will be the date that person became your spouse or Domestic Partner. This applies regardless of what day of the month the Subscriber submits the application.

Effective date of coverage for a new Dependent child

Coverage starts immediately for a:

- Newborn;
- Adopted child;
- Child placed for adoption;
- Child placed in foster care; or
- Child for whom the Subscriber, spouse, or Domestic Partner is the court-appointed legal guardian.

For coverage to continue beyond 31 days, the Subscriber must **notify Blue Shield and request that the child be added as a Dependent within 60 days** of birth, adoption, placement for adoption, placement in foster care, or the date of court-ordered guardianship.

If both partners in a marriage or Domestic Partnership are eligible Employees and Subscribers, they are not eligible to be Dependents of each other. You may enroll a child as a Dependent of either parent but not both.

A child will be considered adopted for the purpose of Dependent eligibility when one of the following happens:

- The child is legally adopted;
- The child is placed for adoption and there is evidence of the Subscriber, spouse, or Domestic Partner's right to control the child's health care; or
- The Subscriber, spouse, or Domestic Partner is granted legal authority to control the child's health care.

The child's eligibility as a Dependent will continue while waiting for a legal decree of adoption unless the child is removed from the Subscriber, spouse, or Domestic Partner's home before the decree is issued.

Plan changes

Blue Shield has the right to change the Benefits and terms of this plan as the law permits. This includes, but is not limited to, changes to:

- Terms and conditions;
- Benefits;
- Cost Shares;
- Premiums; and
- Limitations and exclusions.

Blue Shield will give your Employer written notice of Premium or coverage changes. We will send this notice at least 60 days prior to plan renewal or the effective date of the Benefit change. Your Employer is responsible for letting you know of any changes.

Benefits provided after the effective date of any change will be subject to the change. There is no vested right to obtain the original Benefits.

Coordination of benefits

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits determines which plan will pay first when both plans have responsibility for paying the medical claim. For more information, see the [Coordination of benefits, continued](#) section.

When coverage ends

Your coverage will end if:

- Your Employer cancels or does not renew coverage;
- The Subscriber cancels coverage; or
- Blue Shield cancels or rescinds coverage.

There is no right to receive the Benefits of this plan after coverage ends, except as described in the [Extension of Benefits](#), [Continuity of care](#) and [Continuation of group coverage](#) sections.

If your Employer cancels coverage

Your Employer may cancel coverage at any time. To cancel coverage, your Employer must provide written notice to Blue Shield and its Employees.

If the Subscriber cancels coverage

If the Subscriber decides to cancel coverage, coverage will end at 11:59 p.m. Pacific Time on a date determined by your Employer.

Reinstatement

If the Subscriber voluntarily cancels coverage, the Subscriber can contact the Employer for reinstatement options.

If Blue Shield cancels coverage

Blue Shield can cancel coverage if:

- You are no longer eligible for coverage in this plan;
- Your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements;
- Blue Shield terminates this plan; or
- Your Employer commit fraud or intentional misrepresentation of material fact.

Blue Shield will provide 30 days' advance written notice of cancellation of coverage to your Employer if your Employer fails to meet Blue Shield's Employer eligibility, participation, and contribution requirements. It is your Employer's responsibility to provide a copy of the notice to its Employees.

Cancellation for Employer's nonpayment of Premiums

Blue Shield can cancel coverage if your Employer does not pay the required Premiums in full and on time. Your Employer is responsible for all Premiums during the term of coverage, including the 30-day grace period. If Blue Shield cancels coverage due to nonpayment of Premiums, Blue Shield will send a Notice of End of Coverage to you and your Employer no later than five calendar days after the date coverage ends.

Cancellation or rescission for fraud or intentional misrepresentation of material fact

Blue Shield may cancel or rescind your coverage if you, your Dependent, or your Employer commit fraud or intentional misrepresentation of material fact. Blue Shield will send the Notice of Cancellation, Rescission or Nonrenewal to your Employer prior to any rescission. Your Employer must provide you with a copy of the Notice of Cancellation, Rescission or Nonrenewal. Rescission voids the Contract as if it never existed. Cancellation is effective on the date specified in the Notice of Cancellation, Rescission or Nonrenewal and the Notice of End of Coverage.

Extension of Benefits

If you become Totally Disabled while covered under this plan and continue to be Totally Disabled on the date the Contract terminates, Blue Shield will extend Benefits directly related to the condition, illness, or injury causing your Total Disability until one of the following occurs:

- 12 months from the effective date of termination;
- The date you are no longer Totally Disabled; or
- The date on which a replacement carrier provides coverage for your Total Disability.

Your extension of Benefits will be subject to all the limitation and restrictions of this plan.

You will not receive an extension of Benefits unless a Physician provides Blue Shield with written certification of your Total Disability within 90 days of the effective date of termination. After that, the Physician must continue to provide written certification of your Total Disability at reasonable intervals Blue Shield determines.

Continuation of group coverage

Please examine your options carefully before declining this coverage.

You can continue coverage under this group plan when your Employer is subject to either Title X of the Consolidated Omnibus Budget Reconciliation Act (COBRA), as amended, or the California Continuation Benefits Replacement Act (Cal-COBRA).

Your benefits under the group continuation of coverage provisions will be identical to the Benefits you would have received as an active Employee if the qualifying event had not occurred. Any changes in the coverage available to active Employees will also apply to group continuation coverage.

COBRA

You may elect to continue group coverage under this plan if you would otherwise lose coverage because of a COBRA qualifying event. Please contact your Employer for detailed information about COBRA continuation coverage, including eligibility, election of coverage, and Premiums.

Cal-COBRA

If you enroll in COBRA and exhaust the time limit for COBRA group continuation coverage, you may be able to continue your group coverage under Cal-COBRA for a combined total (COBRA plus Cal-COBRA) of 36 months.

You will not be eligible for benefits under Cal-COBRA if, at the time of the Cal-COBRA qualifying event, you are entitled to benefits under Medicare or are covered under another group health plan. Medicare entitlement means that you are eligible for Medicare benefits and enrolled in Part A only.

Cal-COBRA qualifying event

A Cal-COBRA qualifying event is an event that, except for the election of continuation coverage, would result in a loss of coverage for the Subscriber or eligible Dependents:

- The death of the Subscriber;
- Termination of the Subscriber's employment (except termination for gross misconduct which is not a qualifying event);
- Reduction in hours of the Subscriber's employment;
- Divorce or legal separation of the Subscriber from the covered spouse;
- Termination of the Subscriber's domestic partnership with a covered Domestic Partner;
- Loss of Dependent status by a covered Dependent;
- The Subscriber's entitlement to Medicare (This only applies to a covered Dependent); and
- With respect to any of the above, such other qualifying event as may be added to Cal-COBRA.

A child born to or placed for adoption with a covered Subscriber or Domestic Partner during the Cal-COBRA group coverage continuation period may be immediately added as a Dependent provided the Employer is properly notified of the birth or placement for adoption, and the child is enrolled within 30 days of the birth or placement for adoption.

Notification of a qualifying event

You are responsible for notifying Blue Shield in writing of the Subscriber's death or Medicare entitlement, of divorce, legal separation, termination of a domestic partnership, or a Dependent's loss of Dependent status under this plan. This notice must be given within 60 days of the date of the qualifying event. Failure to

provide such notice within 60 days will disqualify you from receiving continuation coverage under Cal-COBRA.

Your Employer is responsible for notifying Blue Shield in writing of the Subscriber's termination or reduction of hours of employment within 30 days of the qualifying event.

When Blue Shield is notified that a qualifying event has occurred, Blue Shield will, within 14 days, provide you with written notice of your right to continue group coverage under this plan. You must then give Blue Shield notice in writing of your election of continuation coverage within 60 days of the date of the notice of your right to continue group coverage, or the date coverage terminates due to the qualifying event, whichever is later. The written election notice must be delivered to Blue Shield by first-class mail or other reliable means.

If you do not notify Blue Shield within 60 days, your coverage will terminate on the date you would have lost coverage because of the qualifying event.

If this plan replaces a previous group plan that was in effect with your Employer, and you had elected Cal-COBRA continuation coverage under the previous plan, you may continue coverage under this plan for the balance of your Cal-COBRA eligibility period. To begin Cal-COBRA coverage with Blue Shield, you must notify us within 30 days of the date you were notified of the termination of your previous group plan.

Duration and extension of group continuation coverage

COBRA enrollees who reach the maximum coverage period available under COBRA may elect to continue coverage under Cal-COBRA for a combined maximum period of 36 months from the date continuation of coverage began under COBRA. You must notify Blue Shield of your Cal-COBRA election at least 30 days before COBRA termination. Your Cal-COBRA coverage will begin immediately after the COBRA coverage ends.

You must exhaust all available COBRA coverage before you can become eligible to continue coverage under Cal-COBRA.

Cal-COBRA enrollees will be eligible to continue Cal-COBRA coverage under this plan for up to a maximum of 36 months, regardless of the type of qualifying event.

In no event will continuation of group coverage under COBRA, Cal-COBRA, or a combination of COBRA and Cal-COBRA be extended for more than 36 months from the date of the qualifying event that originally entitled you to continue your group coverage under this plan.

Payment of Premiums

Premiums for continuing coverage will be 110 percent of the applicable group Premium rate, except if you are eligible to continue Cal-COBRA coverage beyond 18 months because of a Social Security disability determination. In that

case, the Premiums for months 19 through 36 will be 150 percent of the applicable group Premium rate.

Cal-COBRA enrollees must submit Premiums directly to Blue Shield. The initial Premiums must be paid within 45 days of the date you provided written notification to Blue Shield of your election to continue coverage and must be sent to Blue Shield by first-class mail or other reliable means. You must pay the entire amount due within the 45-day period or you will be disqualified from Cal-COBRA continuation coverage.

Effective date of the continuation of group coverage

If your initial group continuation coverage is Cal-COBRA rather than COBRA, your Cal-COBRA coverage will begin on the date your coverage under this plan would otherwise end due to a qualifying event. Your coverage will continue for up to 36 months unless terminated due to an event described in the *Termination of group continuation coverage* section.

Termination of group continuation coverage

The continuation of group coverage will cease if any one of the following events occurs prior to the expiration of the applicable period of continuation of group coverage:

- Termination of the Contract (if your Employer continues to provide any group benefit plan for Employees, you may be able to continue coverage with another plan);
- Failure to pay Premiums in full and on time to Blue Shield. Coverage will end as of the end of the period for which Premiums were paid;
- You become covered under another group health plan;
- You become entitled to Medicare; or
- You commit fraud or deception in the use of the services of this Plan.

Continuation of group coverage while on leave

Employers are responsible to ensure compliance with state and federal laws regarding leaves of absence, including the California Family Rights Act, the Family and Medical Leave Act, the Uniformed Services Employment and Re-employment Rights Act, and Labor Code requirements for Medical Disability.

Family leave

The California Family Rights Act of 1993 and the federal Family & Medical Leave Act of 1993 allow you to continue your coverage under this plan while you are on family leave. Your Employer is solely responsible for notifying their Employee of the availability and duration of family leaves.

Military leave

The Uniformed Services Employment and Re-employment Rights Act of 1994 (USERRA) allows you to continue your coverage under this plan while you are on military leave. If you are planning to enter the Armed Forces, you should contact your Employer for information about your rights under the (USERRA).

Hospice program services

Benefits are available through a Participating Hospice Agency for specialized care if you have been diagnosed with a terminal illness with a life expectancy of one year or less. When you enroll in a Hospice program, you agree to receive all care for your terminal illness through the Hospice Agency. Hospice program enrollment is prior authorized for a specified period of care based on your Physician's certification of eligibility. The period of care begins the first day you receive Hospice services and ends when the specified timeframe is over or you choose to receive care for your terminal illness outside of the Hospice program.

The authorized period of care is for two 90-day periods followed by unlimited 60-day periods, depending on your diagnosis. Your Hospice care continues through to the next period of care when your Physician recertifies that you have a terminal illness. The Hospice Agency works with your Physician to ensure that your Hospice enrollment continues without interruption. You can change your Participating Hospice Agency only once during each period of care.

A Hospice program provides interdisciplinary care designed to ease your physical, emotional, social, and spiritual discomfort during the last phases of life, and support your primary caregiver and your family. Hospice services are available 24 hours a day through the Hospice Agency.

While enrolled in a Hospice program, you may continue to receive Covered Services that are not related to the care and management of your terminal illness from the appropriate Health Care Provider. However, all care related to your terminal illness must be provided through the Hospice Agency. You may discontinue your Hospice enrollment when an acute Hospital admission is necessary, or at any other time. You may also enroll in the Hospice program again when you are discharged from the Hospital, or at any other time, with Physician recertification.

Pediatric dental Benefits

Pediatric dental Benefits are available through the end of the month in which the covered Member turns 19 years old. A contracted Dental Plan Administrator (DPA) administers Blue Shield's pediatric dental Benefits. The DPA's network of DPA Participating Providers renders Dental Care Services to Members.

It is your responsibility to confirm that your Dental Provider is a DPA Participating Provider before you access Covered Services. The status of a DPA Participating Provider may change.

To confirm that your Dental Provider is a DPA Participating Provider, or if you have any questions about pediatric dental Benefits, visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or contact dental customer service at (888) 702-4171.

Pediatric dental Benefits covered by this plan are described in the pediatric dental Benefits table at the end of this Evidence of Coverage.

Your Dental Provider must be close enough to your home to ensure reasonable access to care.

See the [Pediatric dental exclusions](#) and [Pediatric dental limitations](#) sections for information on exclusions and limitations for your Pediatric dental Benefits.

Accessing pediatric dental Benefits

You can access pediatric dental HMO Benefits in much the same way you access your HMO medical Benefits by:

- Selecting a primary Dental Provider;

- Changing your primary Dental Provider; and
- Obtaining a referral from your primary Dental Provider to see a Specialist.

See the [How to access care](#) section for more information on accessing Benefits of this plan.

Coordination of dental Benefits

This plan includes an embedded pediatric dental Benefit. For purposes of coordinating Benefits, if you purchase a Family dental plan that includes a supplemental pediatric dental plan, the embedded pediatric dental Benefits covered under this plan will be paid first. For the purposes of coordinating Benefits, this medical plan is your primary pediatric dental Benefit plan and the Family pediatric dental plan is the secondary pediatric dental Benefit plan.

Alternate Benefits provision

An alternate benefits provision allows a Benefit to be paid based on an alternate procedure that is professionally acceptable and more cost-effective. This plan's alternate benefits provision is as follows: if dental standards indicate that a condition can be treated by a less costly alternative to the service proposed by the attending Dentist, the DPA will pay for Benefits based upon the less costly service. Any difference in cost between the proposed service and the less costly alternative is your financial responsibility.

Emergency dental care services

If you are within your Plan Service Area, you should contact your Dental Provider for emergency dental care services. Your Dental Provider will provide care or instructions for care. If you are unable to contact your Dental Provider prior to obtaining emergency dental care services, you must notify your Dental Provider within 24 hours of care, if possible.

If you need emergency treatment outside your Plan Service Area, you should obtain services from any nearby available Non-Participating Dentist as soon as possible. Emergency treatment refers only to those dental services required to alleviate pain and suffering. You must submit a claim, within one year of the emergency service, along with the Emergency Dental Care Service record (the Dentist's bill) to the DPA. You will be directly reimbursed for the treatment up to a maximum amount of \$100, only for services rendered to alleviate pain and suffering. You will be responsible for all costs for services rendered by a Non-Participating Dentist over \$100 related to services for pain and suffering. In addition, services from a Non-Participating Dentist other than to treat pain and suffering are not covered. See the [Claims](#) section under [Your payment information](#) for more information.

- Your current plan Formulary.

"Price Check My Rx" prices are based on your Deductible and Out-of-Pocket Maximum accruals (if applicable) at the time you view the prescription Drug price. Costs may be different at the time you fill your prescription due to claims processing. You or your Physician or Health Care Provider can also request this Prescription Drug information by calling Customer Service.

Outpatient Drug Formulary

Blue Shield's Drug Formulary is a list of FDA-approved Generic and Brand Drugs. This list helps Physicians or Health Care Providers prescribe Medically Necessary and cost-effective Drugs. Drugs not listed on the Formulary may be covered when approved by Blue Shield through the exception request process.

Blue Shield's Formulary is established and maintained by Blue Shield's Pharmacy and Therapeutics (P&T) Committee. This committee consists of Physicians and pharmacists responsible for evaluating Drugs for relative safety, effectiveness, evidence-based health benefit, and comparative cost. The committee also reviews new Drugs, dosage forms, usage, and clinical data to update the Formulary four times a year. Your Physician or Health Care Provider might prescribe a Drug even though it is not included in the Blue Shield Formulary.

The Formulary is divided into Drug tiers. The tiers are described in the chart below. Your Copayment or Coinsurance will vary based on the Drug tier. Drugs are placed into tiers based on recommendations made by the P&T Committee.

 Formulary Drug tiers 	
Drug Tier	Description
Tier 1	Most Generic Drugs and low-cost preferred Brand Drugs
Tier 2	- Non-preferred Generic Drugs - Preferred Brand Drugs - Any other Drugs recommended by the P&T Committee based on drug safety, efficacy, and cost
Tier 3	- Non-preferred Brand Drugs - Drugs recommended by the P&T Committee based on drug safety, efficacy, and cost - Drugs that generally have a preferred and often less costly therapeutic alternative at a lower tier
Tier 4	- Drugs that are biologics, and Drugs the FDA or drug manufacturer requires to be distributed through Network Specialty Pharmacies - Drugs that require you to have special training or clinical monitoring - Drugs that cost the plan more than \$600 (net of rebates) for a one-month supply

Visit blueshieldca.com/pharmacy, use the Blue Shield mobile app, or contact Customer Service for more information on the **Drug Formulary** or to request a printed copy of the Formulary.

Obtaining outpatient prescription Drugs at a Participating Pharmacy

You must present a Blue Shield ID card at a Participating Pharmacy to obtain prescription Drugs. You can obtain prescription Drugs at any retail Participating Pharmacy unless the Drug is a Specialty Drug. See the [Obtaining Specialty Drugs from a Network Specialty Pharmacy](#) section for more information. If you obtain Drugs at a Non-Participating Pharmacy, Blue Shield will deny the claim and will not pay anything toward the cost of the Drugs, unless they are for a covered emergency.

Visit blueshieldca.com/pharmacy or use the Blue Shield mobile app to locate a **retail Participating Pharmacy**.

You must pay the applicable Copayment or Coinsurance for each prescription Drug purchased from a Participating Pharmacy. When the Participating Pharmacy's contracted rate is less than your Copayment or Coinsurance, you only pay the contracted rate. This amount will apply to any applicable Deductible and Out-of-Pocket Maximum. Contraceptive Drugs and devices obtained from a Participating Pharmacy are covered without a Copayment or Coinsurance, except for brands that have a generic equivalent. If your Physician or Health Care Provider determines that the covered Generic Drug therapeutic equivalent is medically inadvisable, the brand name contraceptive will be covered without a Copayment or Coinsurance upon submission of an exception request. If there is no Generic Drug therapeutic equivalent available, you will receive the brand name contraceptive without a Copayment or Coinsurance.

Drugs not listed on the Formulary may be covered if Blue Shield approves an exception request. If an exception request is approved, Drugs that are categorized as Tier 4 will be covered at the Tier 4 Copayment or Coinsurance. For all other Drugs that are approved as an exception, the Tier 3 Copayment or Coinsurance applies. If an exception is denied, the non-Formulary Drug is not covered and you are responsible for the entire cost of the Drug.

If you, your Physician, or your Health Care Provider selects a Brand Drug when a Generic Drug equivalent is available, you pay the difference in cost, plus the Tier 1 Copayment or Coinsurance. This is calculated by taking the difference between the Participating Pharmacy's contracted rate for the Brand Drug and the Generic Drug equivalent, plus the Tier 1 Copayment or Coinsurance. For example, you select Brand Drug A when there is an equivalent Generic Drug A available. The Participating Pharmacy's contracted rate for Brand Drug A is \$300 and the contracted rate for Generic Drug A is \$100. You would be responsible for paying the \$200 difference in cost, plus the Tier 1 Copayment or Coinsurance. This difference in cost does not apply to your Deductible or your Out-of-Pocket Maximum responsibility.

If you, your Physician, or your Health Care Provider believes the Brand Drug is Medically Necessary, you can request an exception to paying the difference in cost between the Brand Drug and Generic Drug equivalent through the Blue Shield prior authorization process. The request is reviewed for Medical Necessity. If the request is

approved, you pay only the applicable tier Copayment or Coinsurance for the Brand Drug.

See the [Prior authorization/exception request/step therapy process](#) section for more information on the prior authorization process and exception requests.

Blue Shield created a Patient Review and Coordination (PRC) program to help reduce harmful prescription drug misuse and the potential for abuse. Examples of harmful misuse include obtaining an excessive number of prescription medications or obtaining very high doses of prescription opioids from multiple providers or pharmacies within a 90-day period. If Blue Shield determines a Member is using prescription drugs in a potentially harmful, abusive manner, Blue Shield may, subject to certain exemptions and upon 90 days' advance notice, restrict a Member to obtaining all non-emergent outpatient prescriptions drugs at a single pharmacy home. This restriction applies for a 12-month period and may be renewed. The pharmacy home, a single Participating Pharmacy, will be assigned by Blue Shield or a Member may request to select a pharmacy home. Blue Shield may also require prior authorization for all opioid medications if sufficient medical justification for their use has not been provided. Members that disagree with their enrollment in the PRC program can file an appeal or submit a grievance to Blue Shield as described in the [Grievance Process](#) section. Members selected for participation in the PRC will receive a brochure with full program details, including participation exemptions. Any interested Member can request a PRC program brochure by calling Customer Service at the number listed on their Identification Card.

Obtaining extended day supply of outpatient prescription Drugs at a retail Participating Pharmacy

You also have an option to receive up to a 90-day supply of prescription Drugs at a pharmacy in the Rx90 Retail network when you take maintenance Drugs for an ongoing condition. If your Physician or Health Care Provider writes a prescription for less than a 90-day supply, the pharmacy will only dispense the amount prescribed.

You must pay the applicable retail pharmacy Drug Copayment or Coinsurance for each prescription Drug.

Visit blueshieldca.com for additional information about how to get a 90-day supply of prescription Drugs from retail pharmacies.

Obtaining outpatient prescription Drugs at a Non-Participating Pharmacy in an emergency

When you receive Drugs from a Non-Participating pharmacy for a covered emergency, you must pay for the prescription in full and then submit a claim form for reimbursement. See the [Claims](#) section under [Your payment information](#) for more information.

Obtaining outpatient prescription Drugs from the mail service pharmacy

You have an option to receive prescription Drugs from the mail service pharmacy when you take maintenance Drugs for an ongoing condition. This allows you to receive up to a 90-day supply of the Drug, which may save you money. You may enroll in this program online, by phone, or by mail. Once enrolled, please allow up to

14 days to receive the Drug. If your Physician or Health Care Provider submits a prescription for less than a 90-day supply, the mail service pharmacy will only dispense the amount prescribed. Specialty Drugs are not available from the mail service pharmacy.

You must pay the applicable Copayment or Coinsurance listed in the [Summary of Benefits](#) for each prescription Drug.

Visit blueshieldca.com or use the Blue Shield mobile app for additional information about how to get prescription Drugs from the mail service pharmacy.

Obtaining Specialty Drugs from a Network Specialty Pharmacy

Specialty Drugs are Drugs that require coordination of care, close monitoring, or extensive patient training for self-administration that cannot be met by a retail pharmacy, and that are available at a Network Specialty Pharmacy. Specialty Drugs may also require special handling or manufacturing processes (such as biotechnology), restriction to certain Physicians or pharmacies, or reporting of certain clinical events to the FDA. Specialty Drugs generally have a higher cost.

Specialty Drugs are only available from a Network Specialty Pharmacy. A Network Specialty Pharmacy provides Specialty Drugs by mail or, at your request, will transfer the Specialty Drug to an associated retail store for pickup.

A Network Specialty Pharmacy offers 24-hour clinical services, coordination of care with Physicians, and reporting of certain clinical events associated with select Drugs to the FDA.

To be covered, most Specialty Drugs require prior authorization by Blue Shield, as described in the [Prior authorization/exception request/step therapy process](#) section.

Drug manufacturers or other third parties may offer Drug discounts or copayment assistance for certain Drugs. These types of programs can lower your out-of-pocket costs. If you receive any discounts at a Network Specialty Pharmacy, only the amount you pay will be applied to any applicable Deductible and Out-of-Pocket Maximum.

Visit blueshieldca.com for a complete list of Specialty Drugs or to select a Network Specialty Pharmacy.

Prior authorization/exception request/step therapy process

Some Drugs and Drug quantities require approval based on Medical Necessity before they are eligible for coverage under this Benefit. This process is prior authorization.

The following Drugs require prior authorization:

- Some Formulary Drugs, preferred Drugs, non-preferred Drugs, compounded medications, and most Specialty Drugs;
- Drugs exceeding the maximum allowable quantity based on Medical Necessity and appropriateness of therapy; and
- A Brand Drug, when a Generic Drug equivalent is available, and you, your Physician, or your Health Care Provider is requesting coverage of the Brand Drug without paying the difference in cost between the Brand Drug and the Generic Drug equivalent. See the [Obtaining outpatient prescription Drugs at](#)

[a Participating Pharmacy](#) section for more information about how a brand contraceptive may be covered without a Copayment or Coinsurance.

You pay the Tier 3 Copayment or Coinsurance for covered compounded medications.

You, your Physician, or your Health Care Provider may request prior authorization for the Drugs listed above by submitting supporting information to Blue Shield. If the request does not include all necessary supporting information, Blue Shield will notify the requestor within 72 hours in routine circumstances or within 24 hours in exigent circumstances. Once Blue Shield receives all required supporting information, Blue Shield will provide prior authorization approval or denial within 72 hours of receipt in routine circumstances or 24 hours in exigent circumstances. Exigent circumstances exist when you have a health condition that may seriously jeopardize your life, health, or ability to regain maximum function, or you are undergoing a current course of treatment using a non-Formulary Drug.

To request coverage for a non-Formulary Drug, you, your representative, your Physician, or your Health Care Provider may submit an exception request to Blue Shield. You can submit an exception request by calling Customer Service. Once all required supporting information is received, Blue Shield will approve or deny the exception request, based on Medical Necessity, within 72 hours in routine circumstances or 24 hours in exigent circumstances. See the [Obtaining outpatient prescription Drugs at a Participating Pharmacy](#) section for more information about how a brand contraceptive may be covered without a Copayment or Coinsurance.

Step therapy is the process of beginning therapy for a medical condition with Drugs considered first-line treatment or that are more cost-effective, then progressing to Drugs that are the next line in treatment or that may be less cost-effective. Step therapy requirements are based on how the FDA recommends that a Drug should be used, nationally recognized treatment guidelines, medical studies, information from the Drug manufacturer, and the relative cost of treatment for a condition. If your Physician or Health Care Provider believes that step therapy coverage requirements for a prescription need not be met and that the Drug is Medically Necessary, the step therapy exception process must be used and timeframes previously described (within 72 hours in routine circumstances or within 24 hours in exigent circumstances) will also apply.

If Blue Shield denies a request for prior authorization or an exception request, you, your representative, your Physician, or your Health Care Provider can file a grievance with Blue Shield, as described in the [Grievance process](#) section.

Limitation on quantity of Drugs that may be obtained per prescription or refill

Except as otherwise stated in this section, you may receive up to a 30-day supply of outpatient prescription Drugs. If a Drug is available only in supplies greater than 30 days, you must pay the applicable retail Copayment or Coinsurance for each additional 30-day supply.

If you, your Physician, or your Health Care Provider request a partial fill of a Schedule II Controlled Substance prescription, your Copayment or Coinsurance will be pro-rated. The remaining balance of any partially filled prescription cannot be dispensed more than 30 days from the date the prescription was written.

Blue Shield has a short cycle Specialty Drug program. With your agreement, designated Specialty Drugs may be dispensed for a 15-day trial supply at a pro-rated Copayment or Coinsurance for the initial prescription. This program allows you to receive a 15-day supply of the Specialty Drug to help determine whether you will tolerate it before you obtain the full 30-day supply. This program can help you save money if you cannot tolerate the Specialty Drug. The Network Specialty Pharmacy will contact you to discuss the advantages of the program, which you can elect at that time. You, your Physician, or your Health Care Provider may choose a full 30-day supply for the first fill.

If you agree to a 15-day trial, the Network Specialty Pharmacy will contact you prior to dispensing the remaining 15-day supply to confirm that you are tolerating the Specialty Drug.

Visit blueshieldca.com/pharmacy for a list of **Specialty Drugs** in the **short cycle Specialty Drug program**.

You may receive up to a 90-day supply of Drugs at a pharmacy in the Rx90 Retail network or from the mail service pharmacy. If your Physician or Health Care Provider writes a prescription for less than a 90-day supply, the pharmacy will dispense that amount and you are responsible for the applicable Copayment or Coinsurance listed in the [Summary of Benefits](#) section. Refill authorizations cannot be combined to reach a 90-day supply.

Select over-the-counter drugs with a United States Preventive Services Task Force (USPSTF) rating of A or B may be covered at a quantity greater than a 30-day supply.

You may receive up to a 12-month supply of contraceptive Drugs.

You may refill covered prescriptions at a Medically Necessary frequency.

California Department of Managed Health Care review

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(888) 319-5999** and use your health plan's grievance process before contacting the Department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the Department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the Medical Necessity of a proposed service or treatment, coverage decisions for treatments that are Experimental or Investigational, and payment disputes for emergency or urgent medical services.

The Department also has a toll-free telephone number **(1-888-466-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The Department's internet website (www.dmhc.ca.gov) has complaint forms, IMR application forms, and instructions online.

If you feel Blue Shield improperly cancels, rescinds, or does not renew coverage for you or your Dependents, you can submit a request for review to Blue Shield or to the

Director of the California Department of Managed Health Care. Any request for review submitted to Blue Shield will be treated as an expedited grievance request.

Independent medical review

You may be eligible for an independent medical review if your grievance involves a claim or service for which coverage was denied on the grounds that the service is:

- Not Medically Necessary; or
- Experimental or Investigational (including the external review available under the Friedman-Kowles Experimental Treatment Act of 1996).

You can apply to the Department of Managed Health Care (DMHC) for an independent medical review of the denial. For a Medical Necessity denial, you must first submit a grievance to Blue Shield and wait for at least 30 days before requesting an independent medical review. However, if the request qualifies for an expedited review as described above, or if it involves a determination that the requested service is Experimental or Investigational, you may request an independent medical review as soon as you receive a notice of denial from Blue Shield. The DMHC's application for independent medical review is included with your appeal outcome letter.

The DMHC will review your application. If the request qualifies for independent medical review, the DMHC will select an independent review organization to conduct a clinical review of your medical records. You can submit additional records for consideration as well. There is no cost to you for this independent medical review. You and your provider will receive copies of the independent medical review determination. The decision of the independent review organization is binding on Blue Shield. If the reviewer determines that the requested service is clinically appropriate, Blue Shield will arrange for the service to be provided or the disputed claim to be paid.

The independent medical review process is in addition to any other procedures or remedies available to you to resolve coverage disputes. It is completely voluntary. You are not required to participate in the independent medical review process, but if you do not, you may lose your statutory right to pursue legal action against Blue Shield regarding the disputed service.

ERISA review

If your Employer's health plan is governed by the Employee Retirement Income Security Act ("ERISA"), you may have the right to bring a civil action under Section 502(a) of ERISA if all required reviews of your claim have been completed and your claim has not been approved. Additionally, you and your Employer-sponsored plan may have other voluntary alternative dispute resolution options, such as mediation.

Other important information about your plan

This section provides legal and regulatory details that impact your health care coverage. This information is a supplement to the information provided in earlier sections of this document and is part of the contractual agreement between the Subscriber and Blue Shield.

Your coverage, continued

Special enrollment period

For more information about special enrollment periods, see **Special enrollment period** on page 42 in the **Your coverage** section.

A special enrollment period is a timeframe outside of open enrollment when an Employee or Dependent can enroll in, or change enrollment in, this health plan through the Employer. The special enrollment period is 60 days following the date of a Triggering Event, unless a different period is specified below. When the loss of minimum essential coverage is anticipated, a special enrollment period also precedes the Triggering Event. The following are Triggering Events:

- Loss of minimum essential coverage for a reason other than:
 - Failure to pay premiums on a timely basis (including Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) or Cal-COBRA premiums);
 - A situation that would allow a rescission, such as an intentional misrepresentation of a material fact on the application for coverage; or
 - Other loss of coverage due to the fault of the enrollee. Additional 60-day period before Triggering Event applies.
- Loss or anticipated loss of coverage under an employer-sponsored health plan as a result of:
 - With respect to the Employee:
 - The termination of employment (other than through gross misconduct); or
 - The reduction of hours of employment to less than the number of hours required for eligibility.
 - With respect to the spouse, Domestic Partner and Dependent children:
 - The death of the Subscriber;
 - The termination of the Subscriber's employment (other than through the Subscriber's gross misconduct);
 - The reduction of the Subscriber's hours of employment to less than the number of hours required for eligibility;
 - The divorce or legal separation of the Subscriber from the Dependent spouse or termination of the domestic partnership;
 - The Subscriber's entitlement to benefits under Title XVIII of the Social Security Act ("Medicare");

- A Dependent child's loss of Dependent status under the generally applicable requirements of the plan; or
- The employer files for reorganization under Title XI of the United States Code, commencing on or after July 1, 1986 (COBRA only - when the Subscriber is covered as a retiree).
 - Discontinuation of the employer's contribution toward Subscriber or Dependent coverage.
 - Exhaustion of COBRA or Cal-COBRA continuation coverage.
- Loss of Medi-Cal coverage for pregnancy-related services or loss of access to CHIP unborn child coverage due to the birth of the child. Additional 60-day period before Triggering Event applies.
- Loss of Medicaid medically needy coverage (only once per calendar year). Additional 60-day period before Triggering Event applies.
- The Employee or Dependent was eligible for coverage under the Healthy Families Program or Medi-Cal and such coverage was terminated due to loss of such eligibility, provided that enrollment is requested no later than 60 days after the termination of coverage.
- The Employee or Dependent is eligible for coverage under the Healthy Families Program or Medi-Cal premium assistance program, provided that enrollment is within 60 days of the notice of eligibility for these premium assistance programs.
- Acquiring or becoming a Dependent through marriage, establishment of domestic partnership, birth, adoption, placement for adoption, placement in foster care or through a child support order or other court order.
 - If a parent is required to provide health insurance coverage for a child, and enrollment is requested by the Subscriber parent or upon presentation of a court order or request by the non-Subscriber parent, the local child support agency, or person having custody of the child, or the Medi-Cal program as described in Sections 3751.5 and 3766 of the Family Code.
- An Employee's or Dependent's enrollment or non-enrollment in a health plan is unintentional, inadvertent, or erroneous and is the result of the error, misrepresentation, or inaction of an officer, employee, or agent of Blue Shield, Covered California, or the Department of Health and Human Services (HHS), evaluated and determined by Covered California. In such cases the action may be taken to correct or eliminate the effects of such error, misrepresentation, or inaction.
- An Employee or Dependent demonstrates that they did not enroll in a health plan during the immediately preceding enrollment period available to the individual because they were misinformed that they were covered under minimum essential coverage.
- An Employee or Dependent demonstrates that the health plan in which they are enrolled substantially violated a material provision of its contract in relation to the Employee or Dependent.
- An Employee or Dependent gains access to a new health plan as a result of a permanent move.
- An Employee or Dependent has been released from incarceration.
- An Employee or Dependent was receiving services from a contracting provider under another health benefit plan, as defined in Section 1399.845 of the Health & Safety Code or Section 10965 of the Insurance Code, for one of the conditions

described in California Health & Safety Code Section 1373.96(c) and that provider is no longer participating in the health benefit plan.

- An Employee or Dependent is a member of an Indian tribe which is recognized as eligible for the special programs and services provided by the United States to Indians because of their status as Indians, as described in Title 25 of the United States Code Section 1603 (Special enrollment period is limited to once per month for this event).
- A Subscriber is a victim of domestic abuse or spousal abandonment, is enrolled in minimum essential coverage, and seeks to enroll in coverage separate from the perpetrator of the abuse or abandonment. A Dependent of a victim of domestic abuse or spousal abandonment who is on the same application as the victim may enroll in coverage at the same time as the victim.
- A Subscriber or Dependent:
 - Applies for coverage from Covered California during the annual open enrollment period or due to a Triggering Event, is assessed by the exchange as potentially eligible for Medi-Cal, and is determined ineligible for Medi-Cal either after open enrollment has ended or more than 60 days after the Triggering Event; or
 - Applies for Medi-Cal during the annual open enrollment period, and is determined ineligible after open enrollment has ended.
- An Employee or Dependent was receiving services from a contracting provider under another health plan for one of the conditions eligible for completion of Covered Services and that provider is no longer participating in the other health plan.
- An Employee or Dependent is a member of the reserve forces of the United States military returning from active duty or a member of the California National Guard returning from active duty service under Title 32 of the United States Code.
- An Employee or Dependent demonstrates to the exchange, in accordance with HHS guidelines, that the individual meets other exceptional circumstances as the exchange may allow.
- An Employee or Dependent qualifies for continuation coverage as a result of a qualifying event, as described in the [Continuation of group coverage](#) section of this Evidence of Coverage.
- In the case of coverage offered through an HMO, or other network arrangement, that does not provide benefits to individuals who no longer reside, live, or work in a service area.
 - Individual plan: loss of coverage because the individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual).
 - Group plan: loss of coverage because the individual no longer resides, lives, or works in the service area (whether or not within the choice of the individual and no other benefit package is available to the individual).
- A situation in which a Qualified Health Plan no longer offers any benefits to the class of similarly situated individuals that includes the individual.

Cancellation for Employer's nonpayment of Premiums

Premium grace period

After payment of the first Premium, your Employer has a 30-day grace period from the due date to pay all outstanding Premiums before coverage is canceled due to nonpayment of Premiums. Coverage will continue through the grace period. However, if your Employer does not pay all outstanding Premiums within the grace period, coverage will end the day following the 30-day grace period. Your Employer will be liable for all Premiums owed, even if coverage is canceled. This includes Premiums for coverage during the 30-day grace period. Blue Shield will send a Notice of End of Coverage to you and your Employer no later than five calendar days after the day coverage ends.

Out-of-area services

Overview

Blue Shield has a variety of relationships with other Blue Cross and/or Blue Shield Plans and their Licensed Controlled Affiliates (Licensees). Generally, these relationships are called Inter-Plan Arrangements. These Inter-Plan Arrangements work based on rules and procedures issued by the Blue Cross Blue Shield Association. Whenever you obtain health care services outside of California, the claims for these services may be processed through one of these Inter-Plan Arrangements.

When you access services outside of California, you may obtain care from one of two kinds of providers. Most providers are participating providers and contract with the local Blue Cross and/or Blue Shield Licensee in that other geographic area (Host Blue). Some providers are non-participating providers because they don't contract with the Host Blue. Blue Shield's payment practices in both instances are described in this section.

The Blue Shield Access+ HMO plan provides limited coverage for health care services received outside of California. Out-of-Area Covered Health Care Services are restricted to Emergency Services, Urgent Services, and Out-of-Area Follow-up Care. Any other services will not be covered when processed through an Inter-Plan Arrangement unless authorized by Blue Shield.

See the [Care outside of California](#) section for more information about receiving care while outside of California. To find participating providers while outside of California, visit bcbs.com.

Inter-Plan Arrangements

Emergency Services

Members who experience an Emergency Medical Condition while traveling outside of California should seek immediate care from the nearest Hospital. The

Benefits of this plan will be provided anywhere in the world for treatment of an Emergency Medical Condition.

BlueCard® Program

Under the BlueCard® Program, when you receive Out-of-Area Covered Health Care Services within the geographic area served by a Host Blue, Blue Shield will remain responsible for the provisions of this Evidence of Coverage. However, the Host Blue is responsible for contracting with and generally handling all interactions with its participating healthcare providers, including direct payment to the provider.

The BlueCard® Program enables you to obtain Out-of-Area Covered Health Care Services outside of California, as defined above, from a health care provider participating with a Host Blue, where available. The participating health care provider will automatically file a claim for the Out-of-Area Covered Health Care Services provided to you, so there are no claim forms for you to fill out. You will be responsible for the Member Copayment, Coinsurance, and Deductible amounts, if any, as stated in the Summary of Benefits.

When you receive Out-of-Area Covered Health Care Services outside of California and the claim is processed through the BlueCard® Program, the amount you pay for covered health care services, if not a flat dollar Copayment, is calculated based on the lower of:

- The billed charges for your Out-of-Area Covered Health Care Services; or
- The negotiated price that the Host Blue makes available to Blue Shield.

Often, this negotiated price will be a simple discount that reflects an actual price that the Host Blue pays to your healthcare provider. Sometimes, it is an estimated price that takes into account special arrangements with your healthcare provider or provider group that may include types of settlements, incentive payments, and/or other credits or charges. Occasionally, it may be an average price, based on a discount that results in expected average savings for similar types of healthcare providers after taking into account the same types of transactions as with an estimated price.

Estimated pricing and average pricing, going forward, also take into account adjustments to correct for over- or underestimation of modifications of past pricing of claims as noted above. However, such adjustments will not affect the price Blue Shield used for your claim because these adjustments will not be applied retroactively to claims already paid.

Non-participating providers outside of California

Coverage for health care services provided outside of California and within the BlueCard® Service Area by non-participating providers is limited to Out-of-Area Covered Health Care Services. The amount you pay for such services will normally be based on either the Host Blue's non-participating provider local payment or the pricing arrangements required by applicable state or federal law. In these situations, you will be responsible for any difference between the amount that the non-participating provider bills and the payment Blue Shield will make for Out-of-Area Covered Health Care Services as described in this paragraph.

If you do not see a participating provider through the BlueCard® Program, you will have to pay the entire bill for your medical care and submit a claim to the local Blue Cross and/or Blue Shield plan, or to Blue Shield of California for reimbursement. Blue Shield will review your claim and notify you of its coverage determination within 30 days after receipt of the claim; you will be reimbursed as described in the preceding paragraph. Remember, your share of cost is higher when you see a non-participating provider.

Your Cost Share for out-of-network Emergency Services will be the same as the amount due to a Participating Provider for such Covered Services, as listed in the Summary of Benefits. Blue Shield pays claims for covered Emergency Services based on the Allowed Charges as defined in this Evidence of Coverage.

Blue Shield Global® Core

If you are outside the United States, the Commonwealth of Puerto Rico and the U.S. Virgin Islands (BlueCard® Service Area), you may be able to take advantage of Blue Shield Global® Core when accessing Out-of-Area Covered Health Care Services. Blue Shield Global® Core is not served by a Host Blue. As such, you will typically have to pay the providers and submit the claims yourself to obtain reimbursement for these services.

If you need assistance locating a doctor or hospital outside the BlueCard® Service Area you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week. Provider information is also available online at www.bcbs.com: select "Find a Doctor" and then "Blue Shield Global Core."

Submitting a Blue Shield Global® Core claim

When you pay directly for Out-of-Area Covered Health Care Services outside the BlueCard® Service Area, you must submit a claim to obtain reimbursement. You should complete a Blue Shield Global® Core claim form and send the claim form with the provider's itemized bill to the service center at the address provided on the form to initiate claims processing. The claim form is available from Blue Shield Customer Service, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at (800) 810-BLUE (2583) or call collect at (804) 673-1177, 24 hours a day, seven days a week.

Limitation for duplicate coverage

Medicare

Blue Shield will provide Benefits before Medicare when:

- You are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs 20 or more employees (as defined by Medicare Secondary Payer laws);

- You are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs 100 or more employees (as defined by Medicare Secondary Payer laws); or
- You are eligible for Medicare solely due to end-stage renal disease during the first 30 months you are eligible to receive benefits for end-stage renal disease from Medicare.

Blue Shield will provide Benefits after Medicare when:

- You are eligible for Medicare due to age, if the Subscriber is actively working for a group that employs less than 20 employees (as defined by Medicare Secondary Payer laws);
- You are eligible for Medicare due to disability, if the Subscriber is covered by a group that employs less than 100 employees (as defined by Medicare Secondary Payer laws);
- You are eligible for Medicare solely due to end-stage renal disease after the first 30 months you are eligible to receive benefits for end-stage renal disease from Medicare; or
- You are retired and age 65 or older.

When Blue Shield provides Benefits after Medicare, your combined Benefits from Medicare and Blue Shield may be lower than the Medicare allowed amount but will not exceed the Medicare allowed amount. You do not have to pay any Blue Shield Deductibles, Copayments, or Coinsurance.

Medi-Cal

Medi-Cal always pays for Benefits last when you have coverage from more than one payor.

Qualified veterans

If you are a qualified veteran, Blue Shield will pay the reasonable value or the Allowed Charges for Covered Services you receive at a Veterans Administration facility for a condition that is not related to military service. If you are a qualified veteran who is not on active duty, Blue Shield will pay the reasonable value or the Allowed Charges for Benefits you receive at a Department of Defense facility. This includes Benefits for conditions related to military service.

Coverage by another government agency

If you are entitled to receive Benefits from any federal or state governmental agency, by any municipality, county, or other political subdivision, your combined Benefits from that coverage and Blue Shield will equal but not be more than what Blue Shield would pay if you were not eligible for Benefits under that coverage. Blue Shield will provide Benefits based on the reasonable value or the Allowed Charges.

Exception for other coverage

A Participating Provider may seek reimbursement from other third-party payors for the balance of their charges for services you receive under this plan.

If you recover from a third party the reasonable value of Covered Services received from a Participating Provider, the Participating Provider is not required to accept the

fees paid by Blue Shield as payment in full. You may be liable to the Participating Provider for the difference, if any, between the fees paid by Blue Shield and the reasonable value recovered for those services.

Reductions – third-party liability

If you are injured or become ill due to the act or omission of another person (a “third party”), Blue Shield shall, with respect to services required as a result of that injury, provide the Benefits of the plan and have an equitable right to restitution, reimbursement, or other available remedy to recover the amounts Blue Shield paid for services provided to you on a fee-for-service basis from any recovery (defined below) obtained by or on your behalf, from or on behalf of the third party responsible for the injury or illness, and you must agree to the provisions below. In addition, if you are injured and no other person is responsible but you receive (or are entitled to) a recovery from another source, and if Blue Shield paid Benefits for that injury, you must agree to the following provisions.

- All recoveries you or your representatives obtain (whether by lawsuit, settlement, insurance, or otherwise), no matter how described or designated, must be used to reimburse Blue Shield in full for Benefits Blue Shield paid. Blue Shield’s share of any recovery extends only to the amount of Benefits it has paid or will pay you or your representatives. For purposes of this provision, your representatives include, if applicable, your heirs, administrators, legal representatives, parents (if you are a minor), successors, or assignees. This is Blue Shield’s right of recovery.
- Blue Shield’s right to restitution, reimbursement, or other available remedy is against any recovery you receive as a result of the injury or illness. This includes any amount awarded to you or received by way of court judgment, arbitration award, settlement, or any other arrangement, from any third party or third-party insurer, related to the illness or injury (the “Recovery”), whether or not you have been “made whole” by the Recovery. The amount Blue Shield seeks as restitution, reimbursement, or other available remedy will be calculated in accordance with California Civil Code Section 3040.
- Blue Shield will not reduce its share of any Recovery unless, in the exercise of our discretion, Blue Shield agrees in writing to a reduction (1) because you do not receive the full amount of damages that you claimed or (2) because you had to pay attorneys’ fees.
- You must cooperate in doing what is reasonably necessary to assist Blue Shield with its right of recovery. You must not take any action that may prejudice Blue Shield’s right of recovery.
- You must tell Blue Shield promptly if you have made a claim against another party for a condition that Blue Shield has paid or may pay Benefits for. You must seek recovery of Blue Shield’s payments and liabilities, and you must tell us about any recoveries you obtain, whether in or out of court. Blue Shield may seek a first priority lien on the proceeds of your claim in order to be reimbursed to the full amount of Benefits Blue Shield has paid or will pay.

Blue Shield may request that you sign a reimbursement agreement consistent with this provision. Your failure to comply with the above shall not in any way act as a waiver, release, or relinquishment of the rights of Blue Shield.

Further, if you received services from a Participating Hospital for such injuries or illness, the Hospital has the right to collect from you the difference between the amount paid by Blue Shield and the Hospital's reasonable and necessary charges for such services when payment or reimbursement is received by you for medical expenses. The Hospital's right to collect shall be in accordance with California Civil Code Section 3045.1.

IF THIS PLAN IS PART OF AN EMPLOYEE WELFARE BENEFIT PLAN SUBJECT TO THE EMPLOYEE RETIREMENT INCOME SECURITY ACT OF 1974 ("ERISA"), YOU ARE ALSO REQUIRED TO DO THE FOLLOWING:

- Ensure that any recovery is kept separate from and not comingled with any other funds or your general assets;
- Agree in writing that the portion of any recovery required to satisfy the lien or other right of recovery of Blue Shield is held in trust for the sole benefit of Blue Shield until such time it is conveyed to Blue Shield; and
- Direct any legal counsel retained by you or any other person acting on your behalf to hold that portion of the recovery to which Blue Shield is entitled in trust for the sole benefit of Blue Shield and to comply with and facilitate the reimbursement to Blue Shield of the monies owed.

Coordination of benefits, continued

When you are covered by more than one group health plan, payments for allowable expenses will be coordinated between the two plans. Coordination of benefits ensures that benefits paid by multiple group health plans do not exceed 100% of allowable expenses. The coordination of benefits rules also determine which group health plan is primary and prevent delays in benefit payments. Blue Shield follows the rules for coordination of benefits as outlined in the California Code of Regulations, Title 28, Section 1300.67.13 to determine the order of benefit payments between two group health plans:

- When a plan does not have a coordination of benefits provision, that plan will always provide its benefits first. Otherwise, the plan covering you as an Employee will provide its benefits before the plan covering you as a Dependent.
- Coverage for Dependent children:
 - When the parents are not divorced or separated, the plan of the parent whose date of birth (month and day) occurs earlier in the year is primary.
 - When the parents are divorced and the specific terms of the court decree state that one of the parents is responsible for the health care expenses of the child, the plan of the responsible parent is primary.
 - When the parents are divorced or separated, there is no court decree, and the parent with custody has not remarried, the plan of the custodial parent is primary.
 - When the parents are divorced or separated, there is no court decree, and the parent with custody has remarried, the order of payment is as follows:
 - The plan of the custodial parent;
 - The plan of the stepparent; then
 - The plan of the non-custodial parent.

Questions? Visit [blueshieldca.com](https://www.blueshieldca.com), use the Blue Shield mobile app, or call Customer Service at 1-855-258-3744.

- If the above rules do not apply, the plan which has covered you for the longer period of time is the primary plan. There may be exceptions for laid-off or retired Employees.
- When Blue Shield is the primary plan, Benefits will be provided without considering the other group health plan. When Blue Shield is the secondary plan and there is a dispute as to which plan is primary, or the primary plan has not paid within a reasonable period of time, Blue Shield will provide Benefits as if it were the primary plan.
- Anytime Blue Shield makes payments over the amount they should have paid as the primary or secondary plan, Blue Shield reserves the right to recover the excess payments from the other plan or any person to whom such payments were made.

These coordination of benefits rules do not apply to the programs included in the [Limitation for Duplicate Coverage](#) section.

General provisions

Independent contractors

Providers are neither agents nor employees of Blue Shield but are independent contractors. In no instance shall Blue Shield be liable for the negligence, wrongful acts, or omissions of any person providing services, including any Physician, Hospital, or other Health Care Provider or their employees.

The Benefits of this plan may not be assigned without the written consent of Blue Shield. Participating Providers are paid directly by Blue Shield or the Medical Group. When you are authorized to receive Covered Services from a Non-Participating Provider, Blue Shield, at its sole discretion, may make payment to the Subscriber or directly to the Non-Participating Provider. If Blue Shield pays the Non-Participating Provider directly, such payment does not create a third-party beneficiary or other legal relationship between Blue Shield and the Non-Participating Provider.

Plan interpretation

Blue Shield shall exercise this authority for the benefit of all Members entitled to receive Benefits under this plan.

Blue Shield allows Members to participate in establishing the public policy of Blue Shield. Such participation is not to be used as a substitute for the grievance process.

Access to information

Blue Shield may need information from medical providers, from other carriers or other entities, or from the Member, in order to administer the Benefits and eligibility provisions of this plan and the Contract. By enrolling in this health plan, each Member agrees that any provider or entity can disclose to Blue Shield that information that is reasonably needed by Blue Shield. Members also agree to assist Blue Shield in obtaining this information, if needed, (including signing any necessary authorizations) and to cooperate by providing Blue Shield with information in the Member's possession. Failure to assist Blue Shield in obtaining necessary information or refusal to provide information reasonably needed may result in the delay or denial of Benefits until the necessary information is received. Any information received for this purpose by Blue Shield will be maintained as confidential and will not be disclosed without the Member's consent, except as otherwise permitted or required by law.

Right of recovery

Whenever payment on a claim is made in error, Blue Shield has the right to recover such payment from the Subscriber or, if applicable, the provider or another health benefit plan, in accordance with applicable laws and regulations. With notice, Blue Shield reserves the right to deduct or offset any amounts paid in error from any pending or future claim to the extent permitted by law. Circumstances that might result in payment of a claim in error include, but are not limited to, payment of benefits in excess of the benefits provided by the health plan, payment of amounts that are the responsibility of the Subscriber (Cost Share or similar charges), payment of amounts that are the responsibility of another payor, payments made after termination of the Subscriber's coverage, or payments made on fraudulent claims.
