Amine Optimization Company, a Nexo Solutions division (“AO”) provides the following Standard Terms and Conditions (“Terms”) which shall apply to all quotations and sales made by AO. All equipment, chemicals, goods or products subject to any such quotation are hereinafter referred to as the “Product”. All purchases by Purchaser (“Buyer”) are expressly subject to and conditioned upon acceptance of the terms, conditions and provisions contained in these Terms. No order, or changes to terms or scope of order, shall be binding on AO until accepted in writing by AO.

1. **QUOTATIONS.** AO’s quotations are valid for the time indicated on the reverse, and shall automatically expire without further action by AO at the expiration of such time. A quotation shall supersede all previous quotations or correspondence concerning the same transaction or inquiry.

2. **TAXES AND SHIPPING:** All Products are Ex-works Factory in Houston, Texas unless otherwise noted. If shipping is required, a 15% fee will be added to the final invoice for shipping coordination. Risk of loss shall pass to Buyer at the time of shipment. AO will not be liable to the Buyer for any loss or delay caused by any act of the shipper. The price reflected in the quotation does not include: (a) any transportation, shipping, crating or packaging charges, (b) any applicable taxes, excises, duties, tariffs or other governmental charges which AO may be required to pay or collect under any existing or future law, or (c) costs of insurance. All such costs are in addition to the costs reflected in the quotation and shall be the sole responsibility of the Buyer.

In the event Buyer fails to make payment as described above, AO, in its sole option, and without incurring any liability, may suspend its performance until such times as the overdue payment is made or AO receives assurances, adequate in AO’s sole discretion, to indicate that the payment shall be promptly made. In the event of such suspension, the delivery schedule and order price shall be equitably extended and increased, taking into account the delay and costs resulting from such suspension. Buyer shall promptly pay AO for all costs and related overhead costs arising from such suspensions.
