Let us take you on a magical bicycle tour of Ireland. The tour will take you to Doolin, where some of the world's best pubs — brimming with live music — can be found. From there you will cycle along a harsh and rocky stretch of the Burren; explore the island of Inishmore, where the best glass of Guinness can be found; and spin along the quiet roads of Western Ireland nestled between the mountains and coastline. This is one of the world's best bicycle rides. There's no better way to enjoy Ireland than on two wheels
