Come join us for a fabulous trip to France and Switzerland!

GENEVA

One of the most beautiful cities in all of Europe situated on the shores of Lake Geneva. It has attracted visitors and invaders for centuries. This cheerful city sits on the lake's western shore. Lofty, snowcapped peaks create a gorgeous backdrop on all sides. The city is easy to explore by foot or rent a bike, take a cruise for lunch or shop for quality jewelry (Rolex and more.)

CHAMONIX

As host of the first Winter Olympics in 1924, Chamonix will always have a place in the history books. Its main attractions are Mont-Blanc (Western Europe's tallest mountain) and the many ski areas that are a short bus ride to beautiful, groomed slopes suitable for advanced, intermediate or beginners. Non-skiers' activities include strolling the many streets with shops, bars, cafes and nightlife to please travelers of all ages. Take a tram and cable car to the top of the Monte Blanc or enjoy the snow park with a ride on Ice Coaster. There's more to do! Chamonix is a fantastic place to visit!

LYON

A World Heritage Site, Lyon has 2,000 years of history imprinted on its cobblestone streets. The Romans founded the city which was a commercial and trade center at the confluence of the Rhone and Saone Rivers which wind through the city. Roman architecture, aqueducts and amphitheatres can be seen while shopping,

visiting museums or having lunch at a French café. Lyon is a big city with lots to see and do while on our 3-day visit.
