Join us on this magical journey from Split to Dubrovnik on the luxury yacht MS Alfa Mario, chartered exclusively for our group. We will tour, on E-Bikes, the islands of Brac, Hvar, Korcula, NP Mijet, and Dubrovnik with licensed guides, including multiple wine tastings, beautiful landscapes and a little swimming/snorkeling to cool off!

A medium amount of physical conditioning is required for this trip. The terrain is not flat. Yes, we will be on E-bikes but you will also be required to have the strength to handle the E-bikes safely in group situations.

In the afternoons when we return to the boat we can enjoy paddle boards, kayaks, snorkel gear or just float and enjoy the beauty around us! They also have several jet skis on board for a fee.

Google each island to get a glimpse of the magic we will experience.

PACKAGE INCLUDES:

*Two organized bike rides, October and March We will get to know each other and practice our group cycling skills as group cycling is different from riding around the block in the neighborhood.
