SNOWMASS is one of four mountains available to ski on one lift ticket: SNOWMASS 3300 acres, Buttermilk 435 acres, Aspen Highlands 1010 acres, Aspen 673 acres. All connected by a free bus system.

Our lodging is The Crestwood located slope side next to the Snowmass Base Village, the Village Express Lift, and the Elk Camp Gondola. There is a ski concierge for skis and boots. Out the lobby door is a heated Village Shuttle Bus stop. Note that The Crestwood has no elevators and is 3 stories high. There will be portage upon arrival and departure.

The Crestwood is offering three levels of condo units: Standard, Deluxe, and Premier. These are mostly 2 bedroom, two units of 2 bedroom plus loft, and 3 Premier 3 bedroom units. The differences can be studied here:
