## SOELDEN

The highest ski area in the Austrian Alps. The ski village has one main street that is full of shops, hotels, restaurants, and clubs that follows the scenic river up to Gurgl, another ski area approximately 20 minutes away. The city has museums, hiking trails, non-ski activities, and tourist attractions for skiers and non-skiers. The nightlife is aglow amongst the beautiful Alps that surround the city on all sides. There is plenty to do if you want to take a day off to relax and refresh at one of the local spas.

## MUNICH

A fantastic city full of history, great architecture, food and entertainment. A tour of the city by bus and walking will delight our trippers to become familiar with the Bavarian Capital. Our three days will include shopping at the Marienplatz and probably a visit to the world famous Hofbrau Haus! Munich has over 80 museums of art, history, religions, wars, and even a visit to a Holocaust site in Dachau. A great train system will allow us to visit places such as the BMW Museum, the 1972 Olympic Stadium or a day trip to the beautiful city of Nuremberg. There is so much to do in Munich, but not enough time in our 3 days. Bavarian food, by the way, is incredible.

Since this is a Florida Ski Council Trip, we will be able to take advantage of optional tours in and around Soelden. The FSC will hold a gala party, and there will be discounted lift tickets and ski rentals available to all trippers.
