**Telluride!** Nestled in the San Juan Mountains in Southwest Colorado, Telluride Ski Resort offers the most stunning skiing and riding on the continent. Experience our unrivaled scenery and terrain, shopping and spas and the ease of the free Gondola that connects both historic Telluride and the European Mountain Village. The most beautiful place you will ever ski. Still with many reminders of the mining town it once was but now is one of the west's most popular ski resorts. From the back bowls to the 4.6 mile Galloping Goose run, Telluride has over 2,000 skiable acres, with 127 trails served by 18 lifts.
