CANCELLATION

THE POWER OF THREE At Park City you will have your choice of three world-class resorts. Park City and The Canyons, which are both members of Vail Resorts and are connected by Gondola, can be accessed using the same lift ticket. Deer Valley is a world-renowned luxury resort located 2.5 miles from our condo.

PARK CITY has been consistently ranked on SKI Magazine's top 5 resorts. It is also recognized for being the only resort which allows you to ski straight into the middle of Main Street. Park City is often considered the capital of snowboarding. It has been awarded Terrain Park of the Year by Transworld Snowboarding Magazine for 6 straight years.

THE CANYONS are the perfect escape for the intermediate and advanced skier. YOU WILL FIND OVER 3,700 ACRES OF WIDELY-VARIED TERRAIN, ranging from wide-open groomers, to challenging steeps, and bumps. With such a wide spread of trails you should have no problem finding some fresh "Utah Champagne" to sink your teeth into.

DEER VALLEY named the #1 Quality Ski Resort in the North. An unbelievable commitment to service and hospitality, combined with meticulous care and grooming have given Deer Valley a very high-class reputation. Deer Valley is a true skier's oasis with no snow boarders.
