Iconic Steamboat Springs is named after the natural noise reminiscent of a steamboat made by the local spring water outlet. Steamboat is actually a complete mountain range: Mount Werner, Sunshine Peak, Storm Peak, Thunderhead Peak, Pioneer Ridge, and Christie Peak. 2,965 acres (1200 hectares) of permitted terrain offer a diversity of trails for all levels of ability. Gladed areas of Pioneer Ridge, Sunshine and Storm Peak are Steamboat's particular claim to fame, with legendary Champagne Powder snow in the trees for the most avid powder hounds.
