Come join the Pensacola Ski & Travel Club as we head to Snowmass, CO where you could spend your entire trip skiing and riding its terrain without covering the same ground twice. From the choice expert terrain of Burnt Mountain Glades, High Alpine and the Cirque, to the long blue groomers and impressive beginner facilities for newcomers, it is an easy choice. New developments at the base are making it better each season. MLK holiday also falls within this week, so that means only 4 days of vacation instead of 5!

The Power of Four: As if there isn't enough skiing terrain to keep you entertained at Snowmass with 3,332 skiable acres, your lift ticket will give you access to all that Aspen has to offer with 3 additional mountains just a free short bus ride away (within 10 miles away). Aspen Highlands boasting some of the best advanced terrain anywhere, Buttermilk known for expansive green and blue runs with low difficulty level, and last but not least Aspen Mountain known by locals as Ajax. With the Power of Four you should have no problem finding some place to ski.

Skittles

Have you ever dreaded that uphill walk from Snowmass Base Village to Snowmass Mall, well worry no more – get on a “Skittle.” Another new addition to Snowmass, there are over 40 shops and 35 restaurants located within these 2 areas that you may not want to leave, but don't forget Aspen. If you are looking for something besides “Eat, Sleep, Ski, Repeat” then get on the shuttle and head 20 minutes down the mountain to Aspen for a little “Celebrity Watching!” Not only does Aspen offer nightspots with world class dining and entertainment options – but you never know who you might see!

LODGING

Top of the Village is perched directly on the ski slope, allowing for incredible views and easy access to lifts. This premier Ski-In/Ski-out lodging is where our club
