Section 2: Working with You

Your Voice

We want to hear about your lived experience, your needs, preferences and goals and how we can provide you with services to support you to live your best life. Your input into our services and practices is essential to ensure we provide services to help you reach your goals. Please let our Team Leader know if you have any suggestions on how we can improve our governance structures, policies, procedures and processes – including our documentation. Your input helps us continuously improve so we can provide safe and quality services.

Your Needs, Circumstances, Preferences and Goals

You are at the centre of our services. We will partner with you to learn about your needs, circumstances, preferences and goals to design the right supports for you.

We will listen to you when you tell us what services and supports you need and how, when and by whom you want them delivered. We will design a service that assists you in maintaining and improving your lifestyle, increasing your independence and involvement in the community and empowering you to live your best life.

Your Support Plan is developed with you as its focus. We will create the Plan in collaboration with you, your family or advocate, our team, and any other relevant stakeholders. Assessments will be undertaken before you receive services and supports from Little Blue Wren Services. Our Team Leader will conduct assessments face-to-face with you, your family and/or advocate.

Your Support Plan will be person-centred and take an individualised approach. The Plan will focus on you as an individual and be designed to promote your independence. We will record your unique skills and strengths, together with your goals and aspirations. The Plan will be flexible and open to change, depending on your progress and other factors. Little Blue Wren Services will regularly review your Plan to ensure that we meet your needs, preferences and goals. We welcome your feedback regarding the services and supports we provide you.

You can ask your worker about your Support Plan. You can seek more information and clarification about your Plan at any time from your worker. If it is outside their capability to inform you, we will contact you to discuss your Plan.

We follow the process below to commence the development of the Support Plan:

1. Little Blue Wren Services will perform assessments face-to-face with you, your family and/or your advocate. Any specific access or entry requirements we have will be discussed with you.
2. Assessment interview time/s are arranged by telephone. Your advocate will be invited to be present (if applicable).
3. During your first meeting, the Team Leader will explain our assessment process to you. They will provide information on collecting and using personal data, privacy, information-sharing, and confidentiality considerations. They will also remind you that an advocate can be arranged if you want one.
4. If you have specific communication needs, our Team Leader will make the necessary arrangements to ensure these needs are considered. For example, interpreters and translated information can be provided. If you have a vision impairment or hearing loss, we will make the necessary arrangements for the essential support service during assessments.
5. The Team Leader will inform you of your right to opt-out of sharing your personal information to meet government requirements.
6. The Team Leader will review completed assessments. Identified areas of your strengths and needs will form the basis of your care discussions.
7. Developing your Support Plan is a consultative process between all relevant parties. Here we will look at various areas related to your services, such as:
 - a. risks to you and your environment;
 - b. emergency and disaster management;
 - c. mealtime management (if required);
 - d. your health needs, including comprehensive assessments, oral health and medication requirements; and
 - e. how we can assist you in gaining vaccines or other clinical services.
8. We will explain your Support Plan and give you time to review the Plan. Let us know what needs changing or adjusting or if it works for you.

9. Once your Plan has been determined and you are happy with it, we will ask you to sign off on it. You will be provided with a copy of your Plan.
10. Little Blue Wren Services will regularly assess your Support Plan to check that your needs are being met.
11. Our Team Leader will collect information when they work with you. This information is entered into your client record so we have evidence-based information to check that our service delivery meets your current needs, circumstances, preferences and goals.
12. Little Blue Wren Services will conduct regular assessments with you to review your Support Plan and make sure the support you are receiving still meets your needs. This review will happen at least every year, but it may happen earlier if required.
13. We can re-negotiate your Service Agreement to take into consideration any changes in your needs or circumstances. This may include a:
 - change to your support worker or representative; and/or
 - request to increase or decrease the number or types of services we provide.
14. You can opt-out of providing the information requested by government bodies such as the NDIS. Please inform our Team Leader if you want to opt-out.

This includes assisting you to access religious groups, local cultural or ethnic groups, community and any other service or group that you would like to access.

Communicating with You

Following our initial assessment of your communication needs, we will provide written, verbal or translated options to communicate with you on an ongoing basis.

If there is a language, mode or method of communication that best suits you, please let our team know, so we can arrange this for you. We will record this in your Support Plan to ensure our workers communicate with you in your preferred way and in a way in which you are most likely to understand.

If you are from a non-English speaking background, we can engage an interpreter if you would like one. We will only engage an interpreter if we have your permission.

The interpreter will attend meetings with you and record all meeting information in your record. We can arrange for a telephone interpreter service in an emergency or a crisis.

Assistance with Medication

The Team Leader will discuss your medication requirements with you and then complete an assessment regarding your medication needs. If our Team Leader has concerns regarding your ability to manage your medication safely, they will complete a Self-Administration of Medication Assessment.

During your assessment, our team will determine if you have any issues with taking medication and how we can arrange a medication plan to support you.

Management of Budgets, Statements and Fees

You receive NDIS funding to pay for your disability support and support management. Your funding lets you decide the type of disability support you need and want, who provides it and where it is provided. Please note: There are annual changes in the NDIS Pricing Arrangement and Price Limits. These will automatically adjust your fees.

Before services are provided, we will inform you of the following:

- chargeable fees;
- payment methods (i.e. direct debit, cheque, money order. Please never pay a worker directly);
- your budget (or the amount of money you can spend); and
- methods for payment of fees.

Your Money and Property

Your money, or other property, will only be used for the purposes you request, and with your (or your family/authorised representative/advocate's) consent.

Your Service Agreement and Support Plan will outline the assistance you need relating to your money and property.

If your Support Plan requires workers to be involved in handling your money or property, strict procedures will be followed to protect you from financial abuse. For example, if you require workers to assist you with banking, or paying household bills, you (or your family/authorised representative/advocate) must approve the arrangement and complete a Participant Money and Property Consent Form.

You, your family or your advocate should sign the Service Agreement and Support Plan. If you don't want to sign the Service Agreement and Support Plan, we will record the reasons for future reference.

If our workers need to hold your house or unit key, or have access to a house key code to provide your services, the Authority to Hold Key Form will need to be completed by yourself and our Team Leader on your admission to our service, or when the need arises.

When you no longer want us to hold your house or unit key or know your house code, you must complete a Withdrawal of Authority to Hold Key Form. The Team Leader will help you to do this.

Your Transport Needs

During your initial meeting with Little Blue Wren Services, we will discuss your transport requirements. Together, we will determine the most appropriate transport services to meet your needs and if this is required as part of your package or as an additional service.

If you did not arrange transport as part of your Service Agreement, Little Blue Wren Services can arrange to include transport services as part of your package or as an additional service. Contact our Team Leader for assistance.

Service Termination, Suspension and Leave

Your needs and circumstances may change, which may mean you need to transition (move) to another provider. Little Blue Wren Services will assist and support you during this process. With your approval, we will work with the other service providers to ensure your smooth transition meets your needs.

If you leave our service and want to return, we would be pleased for you to come back. You will need to:

You may terminate our services for any reason, and at any time, but you need to provide us with the length of notice included in your Service Agreement.

You may also request that your services be suspended, as outlined in the Service Agreement.

You may leave Australia on holiday or for another reason. There is a grace period of six (6) weeks before the NDIS reviews your need to continue our services.

Little Blue Wren Services has the right to stop providing services if you do not meet your responsibilities as outlined in the Service Agreement, or if we no longer have the capacity or resources to provide you with the required services.

You will never be excluded from service provision because of a 'dignity of risk' choice, or for any other reason if you're eligible to receive services and we are able to provide the services. In all cases, we will speak with you and discuss the reasons for any service withdrawal.

Where you agree to transfer to a different service provider where required, we will assist you in this process of finding another service provider.

Little Blue Wren Services will listen to your advocate if they want to discuss problems or concerns they may have in relation to our service provision.

You can change your advocate at any time. If you change your advocate, please inform us as soon as possible so we can update your information and ensure that we talk to the correct person.

We will always ask for your permission and explain the reasons for accessing your information when providing it to a worker or another service provider. If you are unsure during this process, you should ask your advocate for help.

If you feel you cannot provide consent, or need support to do so, we can talk to your family or advocate and ask them to assist.
