

Carlos Dew- Los Angeles County FSA Committee Nominee for Urban Agriculture

As an Urban Farmer, and Co-Founder of a family-owned urban farm DEW FARMS LLC, and Founder of a 501(c)(3) Community Charitable Ag Organization, ROOTED IN COMMUNITY. My passion in Urban Agriculture and Community is a catalyst for bringing Agriculture to every urban community in our State and the country. By creating sustainable food systems and eliminating food deserts in underserved, at-risk communities while promoting health & wellness is truly the driving force behind my passion for everything “GREEN” and everything “AGRICULTURE.”
