

Star Wars

A fun retro exploring with the team to focus on their goals and how they will achieve them.

Focused to help teams think about where they are going, define their goals, identify risks on their journey and identify what slows them down and what helps them to achieve their goals.

Can be used face to face or remotely.

Star Wars

The Plan

Set the Stage

- Introduce the Star Wars
- Explain the team is the Millennium Falcon the Team is the ship.
- If I was in Star Wars who would I be and why?
- Verbal answer 1 by 1.
- **Total time - 10 mins.**

Gather Data

- Explain each area.(Yoda, Light speed, Darth Vader, Dark Side)
- Ask everyone to add sticky notes to each area without discussion.
- Group sticky notes into common data.
- **Total time - 25 mins.**

Insights

- Discuss each area as a group.
- One person to facilitate each area.
- Ensure everyone gets time to speak and people listen to each other.
- **Total time - 30 mins - (10 mins each column).**

Decide Actions

- Dot voting on the areas to action.
- Create dots for voting (3 votes per person).
- Take the top 3 areas and create actions.
- Ensure each action has an owner.
- **Total time 20 mins.**

Close

- Ask did you enjoy the retro?
- Rate the retro - weak to poor rating.
- Line chart left to right.
- Place a Millennium Falcon on the line for your vote.
- **Total time - 5 mins.**

Set the Stage

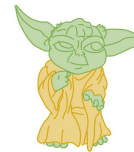

If I was in Star Wars who would I be and why?

Gather Data

Add sticky notes to each section:

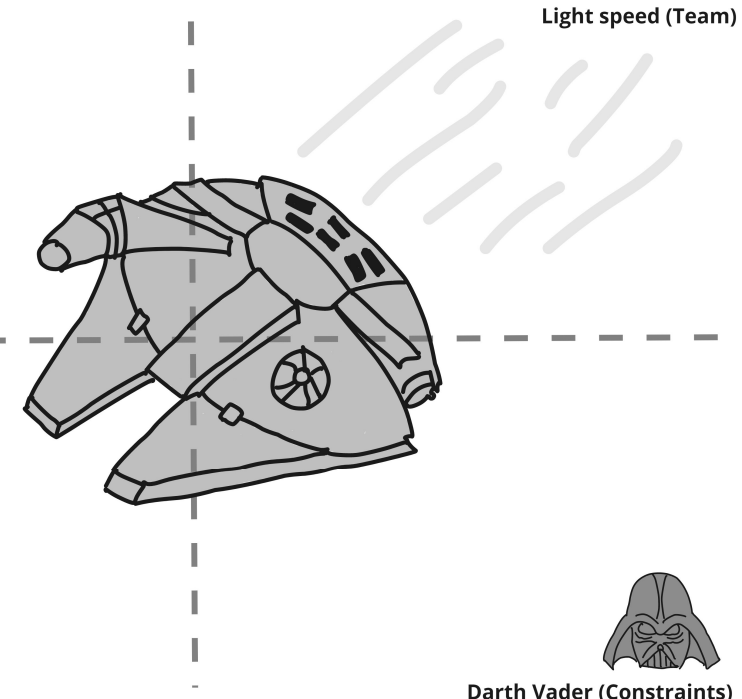

Yoda (Goals)
Yoda - What are our goals as a team.

Light Speed (Team)
Light Speed - How will we achieve our goals?

Darth Vader - what are our constraints?

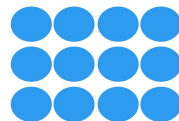

Dark Side - What are the risks we have or face?
