

Tammy is the owner of the award winning skin & body clinic – Renew Clinic Ltd and new skincare brand SiSi London. A celebrity facialist and named 'esthetician of the year 2021' by the social media hair and beauty awards.

We offer a range of skin & body treatments from bespoke facials to body contouring treatments.

"I love making people feel confident in their own skin. Our treatments will leave you feeling and looking fabulous!"

RENEW CLINIC  
SKIN & BODY SPECIALISTS

My skincare range is eco friendly, vegan and animal friendly. All packaging is made from ocean recycled plastic and glass. We have The Magic Sponge and The Facial Oil.
