As of today, (5/14/2021) You can't process the DS-260

==Tips for Completing DS-260:== **DV-2022**

- **DS-260 must be filled in English (Expect one question)**
- **My best advice to you: after you submit the DS-260 online, you won't be able to change any information that you enter. In this case, you have to ask KCC to unlock it to correct the changes and that usually takes a couple of days. I will not rush to file DS-260.**
- **Make sure you enter the correct case and confirmation number. Sometimes after maximum incorrect attempts, it results in the DS260 blocking**
- **Collect all your info: Address (since 16 yrs. of age) and Phone Information, Social Media Information, Family Information, Previous U.S. Travel Information, Passport, Work/Education/Training Information, Security and Background Information, Social Security Number Information.**
- **Verify the information on your original civil docs (Names, dates, Passport number ...etc.) is correct.**
- **Write down all your info in MS word and get it ready when you start filling**
- **Provide and answer all the require information.**
- **Save your work as often as you done with the page you are on, (Reason) you only have 15 minutes to stay in each page.**
- **Proofread your info (Review your Ds-260 before your Submit)**
- **After you complete and submit the DS-260, you will be required to submit supporting documents based on the information provided in the DS-260**
