

# 2025 IMPACT REPORT

## A YEAR OF NEW BEGINNINGS

2025 marked a pivotal year for Rescue330 as we celebrated our first year of adoptions and established ourselves as a growing presence in the community. We built meaningful partnerships with The Winery at Wolf Creek through the *Annual Goat Derby* and *Yappy Hour*, Pet Supplies Plus Norton for adoption events and in-kind donations, and Embrace Pet Insurance through the *EmbraceCLE* fundraising challenge.

We also launched our signature fundraising event, *The Great Pup Pursuit Scavenger Hunt*, strengthening community engagement while supporting our lifesaving work. Throughout the year, we provided care for five complex medical cases, including a heartworm-positive dog, a dog with a congenital heart defect, and a dog living with dementia.

## A MESSAGE FROM OUR FOUNDER

Each adoption reminds us why this work matters. These pets aren't just finding homes, they're finding love, stability, and a second chance. Thank you for being part of this journey and for helping us change lives, one rescue at a time.

— *Melissa Martie, Founder & Director*
