## Masters Spring Meet 2026

**9th May – Rivermead Leisure Centre Reading**

## Promoters Conditions and Competition Rules

### Introduction

The meet will take place on 9th May 2026 at Rivermead Leisure Centre, Reading, RG1 8EQ. The pool is 25m long (short course), with 8 lanes, anti-turbulence lane ropes and AOE (electronic timing).

The meet is promoted by the Reading Swimming Club (RSC). Any enquiries should be addressed to the entries secretary by email to [meetenquiries@readingswimclub.org](mailto:meetenquiries@readingswimclub.org).

On the day of the meet, all swimmers will need to register and confirm they are swimming in the events which they have been accepted for. There will be separate registrations for each session. Swimmers that do not register will be withdrawn from all their events in that session.

### Awards

All events are Heat Declared Winner (HDW). Awards will be made to the fastest three swimmers in each age group per category (ages are as of 31st December 2026). Presentations will not be made. Awards should be collected from the awards table.

A trophy will be awarded to the visiting team with the highest combined team score. Team points will be awarded for the top six places, six points for first place, five for second place, and so on with one point for sixth place.

Trophies will be awarded to the top female and top open/male swimmer of the meet. The winners will be decided using a points-based method with age adjusted points calculated using a similar method to the British Swimming Master Decathlon Competition. The awards will be made based on the points for the best five swims (of any distance and stroke combination).

Individual age groups are: 18-24, 25-29, 30-34, 35-39, 40-44, 45-49, 50-54, 55-59, 60-64, 65-69, 70-74, 75-79, 80-84, 85-89, 90-94, 95-99, and 100 and over.

Relay Age Groups are: 72 – 99 years, 100 – 119 years, 120 – 159 years, 160 – 199 years, 200 – 239 years, and 240 years and over.

Swimmers must be 18 years of age (or older) on 9th May 2026.

### Programme of Events

The programme of events for the meet is at the end of the document. All events are open to all age groups. All age groups will be swum together in heats, which will be seeded from submitted entry times with slowest swimmers first. The final heat will be spearheaded. All 200m events will be swum in mixed heats (with separate awards for each open/male and female age group).

The Promoter reserves the right to amend the Programme of Events to ensure the smooth running of the Meet.

## Relays

We will be offering Female and Open 4x50m Freestyle Relay and 4x50m Medley Relays. Each event will be limited to a maximum of 24 teams across all age groups. Clubs may enter more than one team in each age group, but if we need to restrict entries, preference will be given to “first teams” over “second teams” and so on. Swimmers may compete in more than one team in a relay event, however they should be aware the two teams might be seeded in the same heat. Changes to seeding to accommodate such “doubling up” will not be made.

In addition there will be a mixed 10 x 25m ‘Canon’ Freestyle relay event which shall operate with the following rules.

- Combined team age of 300 years or greater
- 5 male swims and 5 female Swims
- Swimmers can swim more than once but cannot swim 2 x consecutive 25m’s
- Results from the Canon relay will not be counted for the top club, or top swimmer awards, a separate trophy will be awarded for this event.

## Rules and Results

The meet will be run under Swim England Regulations and Technical Rules of Masters Swimming. No jury of appeal will be appointed. Over the top starts will be used wherever possible. A swimmer may only swim for one club at the meet and must be a registered member of that club.

If a record is broken, the swimmer shall complete an application form, available from the results team, as soon as possible after the swim and hand it to the promoter so that the appropriate signatures can be obtained. Claiming a record after the meet may not be possible if the paperwork is not completed at the time.

Times recorded at the meet will be sent to Swim England for inclusion in the Masters Rankings database.

## **Other matters**

Competitors in the first event of each session should report to the stewards 10 minutes before the scheduled start time. Otherwise, competitors should report to the stewards one clear event before the event in which they are competing. It is the responsibility of the individual to report to the stewarding area in sufficient time for each event.

There will be separate registrations for each session. Swimmers that do not register will be withdrawn from all their events in that session.

No large bags are allowed on the poolside. Only swimmers, officials, chaperones and coaches with passes will be allowed into the changing area or poolside.

There is a large spectator area that has a great view of the pool, we recommend that swimmers use this area while waiting for their next race.
