

## VINTAGE ALPINE – SUMMERS PAST FARMS

15602 OLDE HWY 80, FLINN SPRINGS, CA DATE: MAY 4, 2025 1PM TO 4PM

It is that time of the year that Alpine Kiwanis reaches out to local wineries with an invitation to participate in **VINTAGE ALPINE**, a premier wine, food and beer tasting event, an annual Alpine Kiwanis fund raising event. Since 1992 it has been held annually on the serene grounds of Summers Past Farms. Annually close to 500 attend this event with the participation of San Diego County wineries, restaurants, and several beer breweries'. **Age 21 or older to attend/participate, no children.**

Funds raised from Vintage Alpine are dedicated to support our east county youth including club sponsorship of the Boys Scouts, Granite Hills HS Kiwanis Key Club, and Mountain Empire HS Kiwanis Key Club. Other funding goes to local school student projects, Scout projects, Alpine Girls pageant events, 4th of July Parade, Holiday Flag Display, youth kite flying event, youth scholarships and a number of other east county youth and community events. To Alpine Kiwanis, our youth is priority one, and Kiwanis will do all it can to enhance the lives of our youth. Funds raised support that goal.

There is no cost to participating wineries, other than the cost of the wine samples brought for attendees to taste and one or two persons to serve the samples. Under the county permit obtained this is a community event and no sales are allowed be it wine, food or beer. One can bring promotional material to hand out. The site is set up with professional large tents, table for each vendor, table cloth and chairs. Attendees will get a wine glass and a serving tray so that they can sample your delicious wines.

Knowing that one is doing something to enhance the lives of our youth is all the reward one needs. They are our future. May the 4th be with you (Star Wars).
