

# Family Gift Operation Program

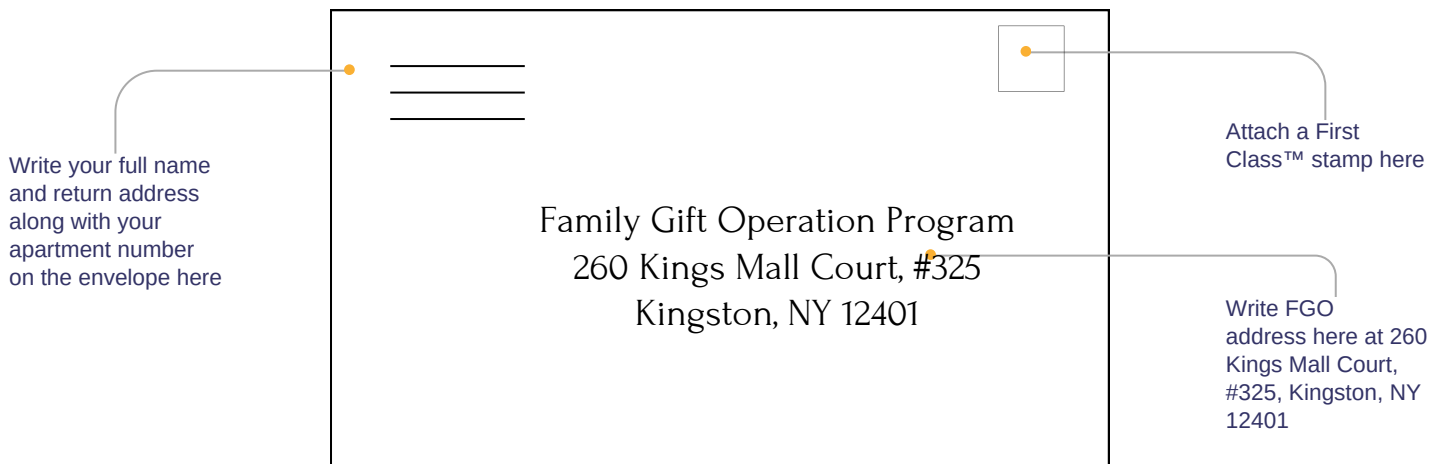

## Fill Out The Application MAIL US

### FGO can't wait to hear from you!

The Family Gift Program has been started to help serve those in need all year around doing act of kindness by author Aki Ashe. We help with rental assistance, food vouchers, paying for children books, and health with healthcare needs such as vouchers for wheelchairs, and medicaid transportation.

To participate, print out the application form and mail in back to the FGO. Please be patience for us to get back with you. As we get many inquiries daily.

#### How to address your envelope to FGO

\*All applicants must be have a case manager, social workers, or health professionals in their local community that they are currently working with for assistance. Our services are really for those in need and trying to better themselves by seeking all avenues for success. Discretion is up to FGO committee where funds are distributed.
